

Yanks And Reds Will Confer On Peaceful Uses Of Atom Power

By JOHN M. HIGHTOWER
BERLIN (AP)—The foreign ministers of the United States and the Soviet Union meet tonight in the first top level discussion of President Eisenhower's proposal to put atomic power to work for peaceful purposes.

Over cocktails and caviar last night Russia's V. M. Molotov and America's John Foster Dulles arranged to come to grips with the problem of how to make nuclear energy an aid to better living instead of a horrible device for sudden death.

Molotov and Dulles will meet again tonight after the regular session of the Big Four foreign ministers. They will have with them only a minimum number of advisers and interpreters.

Will Show Red Hand

From this meeting may come an indication of just how far the Soviet Union is ready to go on President Eisenhower's proposal of last Dec. 8 that the world powers principally involved with atomic development pool their energy and know how for peaceful purposes.

The decision to hold an atomic meeting tonight was taken at a dinner in the Soviet sector headquarters of Molotov, where Dulles and top American staff members were his guests.

Only an hour earlier they had left the conference table where they had battled over whether Germans from both sides of the Iron Curtain should sit with them in discussing Germany's future.

Wants Germans Seated

Molotov had demanded that the Germans be seated. But the Western foreign ministers insisted that German representatives could speak in council only after a reunion through honest and free German elections. The Soviet Union has refused to go along with the election proposal.

Molotov argued that there can be no settlement of the German question on "peaceful and democratic" lines unless Germans participate.

Dulles rejected Molotov's proposal, saying the problem is to get new representatives from all Germany.

COMMITTEES OF CIVIC NURSING ARE ANNOUNCED

Mrs. Ralph R. Gresh, president of the Gettysburg Civic Nursing Association, appointed committees for the year at a meeting of the organization at the YWCA Friday afternoon at 4 o'clock.

Those named were: finance, Mrs. Frank H. Kramer, chairman; Miss Elizabeth Evans and Rev. Dr. W. R. Sammel; promoting and publicity, Mrs. W. E. Roth, chairman, Mrs. Walter H. Danforth, Mrs. Raymond F. Sheely, Mrs. Verna Myers and Rev. Herman Stuepfle; consulting, Mrs. David Blocher Sr., chairman, Mrs. George F. Eberhart, Mrs. Milton R. Remmel, Miss Margaret C. Howard and Atty. Donald M. Swope; supplies, Mrs. Clyde Stover, chairman, Mrs. E. J. Bowman, Miss Anna McSherry, Mrs. Ralph Barley and Mrs. Jessie Easterday; auditing, Mrs. Frank H. Kramer, chairman, Rev. Dr. W. R. Sammel; constitution and by-laws, Atty. Donald M. Swope, chairman, Mrs. George F. Eberhart, Dr. Kenneth L. Smoke and Rev. Clyde R. Brown.

Nurse Submits Report

Mrs. William F. Holtzworth, the civic nurse, reported that she had made 136 visits to patients in the nursing area during the last three months. Mrs. Roth, publicity chairman, was asked to re-order 2,000 pamphlets containing information on the work of the association. Routine reports were submitted by Mrs. Danforth, secretary, and Miss Evans, treasurer. The auditors report was given.

It was announced that the association had received \$121.99 from the Gettysburg Ministerium as the result of contributions made during the Week of Prayer at Thanksgiving.

Mrs. Gresh presided at the meeting. Other members of the association and board who attended the session were: Miss Evans, Rev. Dr. Sammel, Mrs. Remmel, Mrs. Bowman, Mrs. Easterday, Miss Howard, Mrs. Sheely, Mrs. Myers, Mrs. Stover, Mrs. Blocher, Mrs. Eberhart, Rev. Mr. Stuepfle, Rev. Mr. Brown, Mrs. Danforth and Mrs. Holtzworth.

The association will meet again Friday afternoon, April 30, at 4 o'clock at the YWCA.

LIONS 30 YEARS OLD

The Gettysburg Lions Club passed its 30th birthday anniversary without special notice last week, it is pointed out in the weekly letter to members by Secretary Ralph Barley. A business meeting with no entertainment program is planned for Monday's session at the Shetter House.

PRICE FIVE CENTS

THREE YOUTHS ARE SENTENCED TO WORKHOUSE

Three upper Adams County youths charged with badly beating 16-year-old Raymond Neiderer, White Hall, in Bonneville, were each sentenced to one year in the Allegheny workhouse by the Adams County Court this morning.

The three were Wayne Frederick Taylor, Flora Dale; Robert Lee Smith, Gardner R. 1, and Richard Paul Black, Benderville. All were charged with aggravated assault and battery.

The court told the trio that they were "fortunate that you are not before the court on a murder charge because a person as badly beaten as young Neiderer was could easily die as a result." The court added "there is no excuse for things like that in a civilized community."

Glenn Smith, Gettysburg, was sentenced to an indeterminate term in the Pennsylvania Industrial School at Huntingdon on a charge of prowling and loitering. At the time of the offense Smith had been on probation on a similar charge. The court told Smith "we had the impression you did this because you like being in jail where you don't have to work and somebody feeds you. As a result we are sending you where you will learn a trade and get some education."

Only an hour earlier they had left the conference table where they had battled over whether Germans from both sides of the Iron Curtain should sit with them in discussing Germany's future.

Woman Is Fined

Mrs. Eva Beam, Gardner R. 2, was told that there was "no excuse for the situation arising on which you were charged with assault and battery." She was fined \$100 for the use of the county and the costs.

Robert Bupp, Aspers R. 1, was told by the court "we feel Mrs. Beam started the situation but you went too far," as it imposed a \$50 fine for the use of the county and the costs on an assault and battery charge. Mrs. Beam and Mr. Bupp had been found guilty this week following a trial on the charges brought as a result of an intra-family squabble at Aspers.

Suspended Sentences

Elgin E. Wilt, R. 4, was given a suspended sentence on a charge of turning off lights to avoid identification and ordered to pay \$200 for the use of the county and costs.

William Ernest Alexander, Shippenburg R. 2, was given a suspended sentence on a charge of operating a motor vehicle after suspension and ordered to pay \$150 for the use of the county and the costs.

William Haar, East Berlin R. 2, was sentenced to 45 days in jail, ordered to pay \$50 for the use of the county, and the costs, on a charge of driving a motor vehicle (Continued on Page 2)

75 COUPLES AT "DIMES" DANCE

About 75 couples attended the annual March of Dimes dance at the Hotel Gettysburg Friday evening to raise funds for the Adams County Polio Fund.

"The affair was a huge success," Mrs. Joseph E. Codori, chairman of the polio fund drive, said this morning. "We believe the success of the dance was largely due to the fact that we had more sponsors this year than in any previous year since 1938 when the dances were inaugurated."

Music was furnished by Dick Moul's five-piece orchestra from York from 9 until midnight. The affair was sponsored by the Junior Chamber of Commerce under the chairmanship of Donald Becker. He was assisted by David Blocher and Magnus Flaws Jr.

Mrs. Codori has issued an appeal to countians to return their March of Dimes cards mailed to them several weeks ago in which was to be inserted a contribution to the polio fund. They may be addressed to Mrs. Joseph E. Codori, Box 287, Gettysburg.

HOSPITAL REPORT

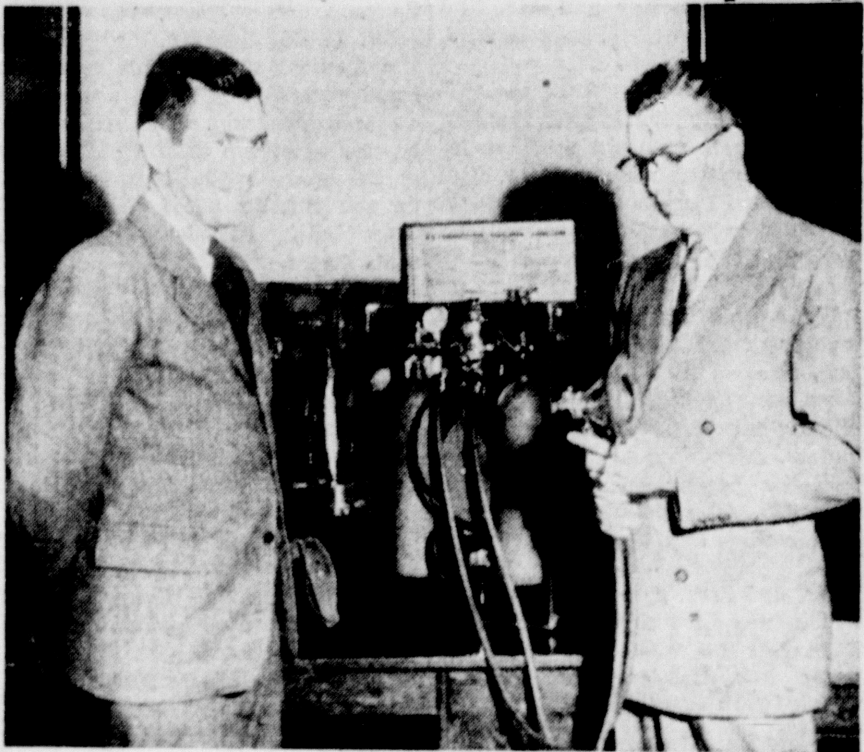

Admissions: Bernard P. Redding, 518 Steinwehr Ave.; William Dick, Fairfield R. 1; Mrs. Kenneth Redding, Gettysburg R. 3; Mrs. Clarence Seaman, Biglerville; Rodney Felix, Gettysburg R. 3; Mrs. Arthur L. Bubb, East Berlin; Mrs. William W. Bower, Taneytown; Mrs. Leo Weaver, 335 York St.; and Mrs. William T. Brothers, Finksburg, Md. R. 1.

Discharges: Mrs. Anna Plank, 42 E. Lincoln Ave.; Mrs. Maurice Muller, Westminster R. 6; Mrs. William Keefe, Littlestown; Kenneth Biesecker, Orrtanna; Mrs. Robert Claiborn and infant son, Gettysburg R. 3; Mrs. Harold Boone, Westminster R. 1; Mrs. Walter Dillon and infant son, 706 Highland Ave.; Mrs. Joseph Haley and infant daughter, Emmitsburg; Frank Wilkinson, Orrtanna R. 1; Mrs. Gertrude Kelly, Gettysburg R. 2; Mrs. John Mickle, Gettysburg R. 3, and Charles Lightner, 55 South St.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Clarence Seaman, Biglerville, announce the birth of a daughter Friday at the Warner Hospital.

Musselman Foundation Gives Resuscitator To Fire Company

Donald E. Horst (left), chief of the C. H. Musselman Company's fire company, and Oscar Rice Jr., president of the Biglerville Fire Company, are pictured above with the new resuscitator which the Musselman Foundation has presented to the Biglerville company for emergency use in upper Adams County. (Photo by Diehl Studio)

A portable resuscitator, the latest development in automatic breathing machines, has been presented to the Biglerville Fire Company by the Musselman Foundation, according to an announcement by Oscar C. Rice Jr., president of the fire company, and John A. Hauser, president of The C. H. Musselman Company.

The new E. and J. resuscitator, available for emergencies, supplements two similar life saving machines already in use by the Gettysburg Fire Company and the Warner Hospital to give what is hoped will be more adequate coverage for the entire county. In commenting on the gift, Mr. Hauser stressed the fact that since time is an all-important factor in cases where respiration has stopped, such

as drowning, carbon-monoxide poisoning, electric shock, asthma, etc., he had long felt the need for this type of equipment in the upper end of the county.

Designed for versatility and simplicity of operation, the new machine makes available to Adams County communities a life saving service never before equaled in first aid work. The E. and J. Resuscitator which is also an inhalator and aspirator, is operated on the principle of fixed pressure and automatically adjusts itself to the volume of the patient's lung whether it be a tiny premature infant or an adult. The respirator is accepted by the Council on Physical Medicine of the American Medical Association.

The new unit is being carried on the Biglerville Fire Company's fire truck making it available immediately at all fires. But, being portable, it can also be removed to an operator's car on a moment's notice for other uses.

Although the resuscitator is noted for its simplicity of operation, heads of the local fire organization recognized the importance of well-trained operators sufficient in number so that at least one would be available at all times.

President Rice has appointed the following, who are now taking the training course: Carl B. Taylor, Wilmer K. Diehl, A. L. Leinart, Robert O. Burkhardt, Ralph T. Sandoe Jr. and Fred K. Snyder.

Trial in the damage suit brought by Mr. and Mrs. Leon Gage, Gettysburg R. 4, against Emerson L. Orner, Benderville, as the result of the auto-accident death of the Gages' nine-year-old son last May, began Friday morning, continued throughout the afternoon, and according to the court at the close of sessions Friday, will continue into Monday morning.

After the Gage-Orner case ends, trial will begin in the counter damage actions brought by Oscar G. Smith, York, and LeRoy D. Kline, Littlestown, as a result of an auto accident near Littlestown March 29, 1953.

Draw Last Jury

The jury drawn to hear the Smith-Kline cases included Mrs. Josephine Coleman, Gettysburg R. 2; Dale Grove, York Springs; Paul Irvin, Orrtanna; George Moritz, Gettysburg R. 2; William Seibert, Cashtown; Albert Butterfield, Gettysburg R. 3; Norman Bortner, York Springs; Harry Geiselman, Biglerville; Rev. Arde Dorsey, Gettysburg R. 4; George Clapsaddle, Orrtanna; Betty J. Bishop, Gettysburg R. 2; and John O'Brien, Baltimore St.

Thirteen were drawn for the jury. John W. Keffer, McSherrystown, had passed as a juror when he asked permission to be released from the jury "because I've known the parties 25 years." John O'Brien was then drawn as his replacement. Ten others had been challenged. (Continued on Page 2)

Baby Girl Buried Here This Afternoon

Funeral services for Thomasa Strausbaugh, 18-month-old daughter of Mr. and Mrs. Eugene Elsworth Strausbaugh, 402 S. Washington St., were held this afternoon at 2 p.m. at the Peters Funeral Home. Interment was in the Evergreen Cemetery with the Rev. Dr. Ralph R. Gresh officiating. The pallbearers were: Gordon Shive, Marlin Shive, Richard Young and George King. The infant died at her home, Thursday, as a result of complications following an illness of pneumonia.

HEADS FURNITURE FIRM

Neiman Craley, Jr., graduate of Gettysburg College and husband of Ruth Fortenbaugh of Gettysburg, has been elected president and general manager of the Red Lion Furniture Company at Red Lion. He succeeds his father, who died last year, in these positions. Mrs. Craley is the daughter of Dr. and Mrs. Robert Fortenbaugh, W. Broadway.

Historians To Hear About Lincoln Visit

A paper on "Lincoln's Trip to Gettysburg" will be presented at the February meeting of the Adams County Historical Society Tuesday evening in the court house by Frederick S. Weiser, Glen Ellyn, Ill., a Gettysburg College student and member of the society.

A business session will precede the program with President Charles S. Diller presiding.

ASK CITIZENS TO STAY HOME DURING RAID

The Adams County Director of Civil Defense, William G. Weaver, today joined Dr. Richard Gerstle, State Director of Civil Defense, in warning countians not to evacuate their communities in case of air attack by an enemy.

"Current talk of 'evacuating' our cities prior to attack is an open invitation to self-destruction," the directors warned.

They said the talk is based on "careless reading" of President Eisenhower's recent budget message. The President said a "new concept of civil defense" has come into being "which emphasizes improved warning of impending attack and planning for the dispersal of the population of potential target cities in advance of enemy attack."

The Civil Defense heads emphasized that, while they are in complete accord with the President's request for funds to be used in developing an electronic system which will provide early warning of enemy attack, "the trouble is, many people mistakenly have accepted the fund request as a finished fact and are now getting ready to head for the hills at the sirens' first wail."

Ten Minute Warning

They added that at the present time, "even with the commonwealth's new bell and lights instantaneous air raid warning system" (Continued on Page 3)

Here And There News Collected At Random

WHAT IS THE NATIONAL GUARD?

The National Guard is a voluntary organization of citizen-soldiers with one active unit in Gettysburg. It is a military organization but its members are civilians. They are citizens who go to school or work — in offices . . . in factories . . . in stores . . . on farms. But whatever their occupations they give a part of their time, every week, to train in defense of their community, and country.

As our country grew, the National Guard grew. As towns sprang up and States were added to the Union, additional Guard units came into being — for local and national protection. Today, there are more than 5,500 Guard units in more than 2,000 communities. They are located in the 48 States and in Alaska, Hawaii, Puerto Rico, and the District of Columbia.

The Guard is now below normal strength because it has contributed more than 2,000 units — over 160,000 men — to active military service in the Korean emergency. Enlist- (Continued on Page 7)

FIND MISSING BICYCLE

A bicycle, found in the driveway of a New Oxford resident, was turned over to George Olinger, S. Washington St., Friday evening. The bicycle was owned by Mr. Olinger's son, according to the borough police report sheet.

800 Hunters Combing Mountain Today For "Crittter" And Prize

WILLIAMSPORT, Pa. (AP)—A safari of 800 hunters, aided by airplanes and a Red Cross mobile unit, set out today to track down the mysterious "critter" of Cogan House Township.

The "critter" is believed to be either a black panther, a mountain lion or a large bob cat. It has been frightening game away from the popular hunting area on heavily wooded Bobst Mountain, 20 miles northwest of here.

The mammoth hunt was organized this week when local sportsmen's clubs put up a \$300 prize for the person who bags the elusive beast. And some lucky dog who catches the scent of the "critter" gets 100 pounds of dog food as its reward.

Prizes were also available for anyone bagging a bob cat or fox. At least three airplanes were volunteered to aid in seeking out the

OCCUPANCY AT HOSPITAL NEAR FULL CAPACITY

Occupancy at the Warner Hospital during the latter part of January has soared to near capacity, it was reported to the board of directors at their regular meeting Friday evening in the board room in the Musselman annex building.

In his report of his first month's management of the hospital, Walter B. Dillon, the administrator, said all private and semi-private accommodations are filled and the current census is 19 newborn and 69 adult patients. Through December and the first half of January the census has ranged from a low of 52 to a high of 63 patients.

The administrator told the directors that a state inspector visited the hospital Friday and, following a thorough inspection, found everything in first class order with the exception that the front steps of the nurses' home must have a handrail installed in accordance with recent state regulations.

Discontinue Free Ambulance

Mr. Dillon described the system of supply controls he has installed which he said will provide immediate price and use comparisons. He told of other innovations designed to improve working conditions and decrease costs. He praised the medical staff for its co-operation and said he will meet formally with the staff executive committee monthly to review operating problems of the hospital.

The directors unanimously adopted a recommendation submitted by Mr. Dillon that will recognize lengthy tenures of service of the hospital staff by awards of lapel pins. In this connection he named several employees of the hospital who have been with the institution for many years.

As in nearly all hospitals, free ambulance service has ended at the Warner Hospital. The report of a special committee that has given several months of study to the program emphasized the inability to replenish the ambulance fund raised several years ago to provide free ambulance service.

Mrs. Thomas Attends

According to the report, this parallels the experience of nearly all other hospitals and leaves no alternate other than to charge for ambulance service.

After discussion, the directors of necessity approved the report and directed that a schedule of rates for ambulance use be drafted and installed immediately.

Mrs. Edmund W. Thomas, president of the Women's Auxiliary of the hospital, attending her first meeting of the board, was presented by President John A. Hauser.

Mrs. Thomas, after expressing her pleasure at being able to serve the hospital in her new capacity, said that new draperies in the sun parlors have been hung; that the Snack Bar is doing well; that Mrs. Bruce N. Wolf is now conducting the "Photo-Babe" department as an auxiliary project; that the auxiliary has adopted as their current project the raising of \$1,935 to pay for the new dishwashing equipment.

"The members of the Auxiliary pledge you their co-operation and their complete willingness to serve the hospital in whatever capacity you ask them," Mrs. Thomas concluded.

President Hauser complimented the auxiliary saying the hospital is (Continued on Page 2)

Roommate Steals Friend's Wardrobe

Carleton Bollinger, Eberhart Apts., was robbed of his entire wardrobe, except the clothes he was wearing and a few shirts that had been sent to a laundry, at Port Lauderdale, Fla., this week.

The robber was Mr. Bollinger's roommate. The men were sharing a large double room at a motel. The roommate had lost his job on Wednesday unbeknown to Mr. Bollinger. On Thursday the roommate packed Mr. Bollinger's clothes in the luggage, including several suits, topcoat, a number of pairs of slacks and sport coats, shirts, underclothes, socks, ties, etc. He left the motel in a taxi.

The lost is estimated at several hundred dollars.

Legion Will Meet Monday Evening

The February meeting of the Albert J. Lentz Post of the American Legion will be held Monday evening at 8 o'clock at the post home on Baltimore St., Commander Paul Anzenberger announced today.

Membership in the post now totals 700, he added. Orchestras engaged for dances in February have been announced as follows: February 6, Melo Tones; 13, Twilighters; 20, Walter Carl; 27, Four Kings.

FACES TRAFFIC COURT

George S. Lambert, Gettysburg, has been issued a ten-day notice to appear before Justice of the Peace Robert P. Snyder to answer a stop sign charge. The complaint was made by state police.

Deposits In 14 Adams County Banks Soar To \$44,499,520 In 1953; Largest Increase In Years

Total deposits in Adams County's banking institutions increased nearly four million dollars in 1953, running to five straight the string of years in which total bank deposits have risen here.

Percentage-wise the 1953 increase was the largest in years. Annual year-end statements by the county's 14 banks show total deposits of \$44,499,520.44.

The comparable total a year ago was \$40,620,638.68.

Increase of 9 1/2 Pct.
The increase of \$3,878,881.76 represents a jump of about 9 1/2 per cent. In 1952 the increase was 7 1/2 per cent; 5 per cent in 1951 and 8 1/2 per cent in 1950.

Five-Year Increase

Deposits in 1953 continued a five-year climb. Total deposits in the 14 banks came close to the 35-million mark in 1947 after a number of years in which the total had risen steadily. There was a slump in 1948 which was partly offset in 1949 when 1950 set a new high up to that time. Each succeeding year has boosted the total which exceeded the 40-million dollar mark for the first time in 1952.

All but one of the banks in the county had an increase in deposits last year.

Figures for each bank at the close of business in 1953 follow:

Gettysburg National	\$13,966,252.77
First Nat., Gettysburg	5,838,899.64
Littlestown National	4,528,933.68
Littlestown State	4,093,599.45
Biglerville National	2,807,333.09
Benderville National	2,138,064.80
Farmers' and Merchants', New Oxford	2,003,071.90
York Springs National	1,703,207.99
York Springs National	1,521,128.18
Peoples State, E. Berlin	1,429,717.78
East Berlin National	1,355,184.70
Farmers, McSherrystown	1,231,335.28
Fairfield National	1,166,070.83
Abbottstown State	716,657.35

Total\$44,499,520.44

FAIRFIELD HIGH SENIOR WINS IN PIE CONTEST TOO

"Home on the Range" was originally a lonesome little ditty wrapped around a cow-poke's love for the great outdoors, but in recent months to the community of Fairfield it has come to signify the easy heart-throb manner of one Janice Myers, a gal who is as much at home at a gas range as any westerner ever was astride a bay roan.

Latest baking exploit of the 17-year-old Fairfield Joint High School Senior earned first place in the school's cherry pie baking contest, Wednesday, only a little more than three months after her local triumph in the Fairfield apple pandowdy contest.

Miss Myers now becomes a candidate for all-county honors when the best of the Adams cooks match their skills over a hot stove at Biglerville High School, February 8, to crown a county "Cherry Pie Queen." In final competition she will join the Gettysburg champ, Glenda Lobinger who "baked only five pies before in her life," and the surprise lower Adams victor, Dean J. Sell, Littlestown's first "cherry pie baking king."

Judging the contest in the home economics room of the Fairfield School were Mrs. Thomas Newman, Mrs. Wesley Schable and Mrs. Kermit Slusser. Student runners-up in Wednesday's competition included Charlotte Bigham, a Senior, and Janice Sanders and Rose Ann Stahley, both Sophomores.

The bake-off was concluded under the direction of Miss Marie Weissenfluh, Fairfield High School home economics instructor. Miss Myers is the daughter of Mr. and Mrs. George Myers, of Fairfield.

DAY OF PRAYER TO BE MARCH 5

The World Day of Prayer will be held at the Gettysburg Reformed Church March 5, it was announced by Mrs. Forrest Craver at an executive board meeting of the Gettysburg Council of Church Women Friday afternoon at 2:30 o'clock at the YWCA. Services will be conducted for adults at 2:30 p.m. followed by a service for children up to and including 12 years of age at 3:45 p.m. Mrs. Harold V. March will be in charge of the children's program. Additional committee members include: Mrs. Robert Ditchburn, Mrs. Raymond Sorrick, Mrs. Jennings Collins, Mrs. Norman Plank, Mrs. John Rice and Mrs. Guyen Buehler.

Mrs. E. Donald Scott submitted a report on World Community Day which took place November 6. She announced that \$44.58 received during that time had been sent to the Pennsylvania Council of Churches. The 235 pounds of clothing and linen received has been sent to the New Windsor World Service Center in Maryland.

Infant Dies
Judy Ann Redding, infant daughter of Mr. and Mrs. Kenneth J. Redding, Gettysburg R. 3, died at birth at the Warner Hospital Friday at 9:17 p.m. Surviving in addition to the parents are two brothers, Lawrence and Frederick, both at home, and the grandparents, Mr. and Mrs. Leo Redding, Gettysburg R. 2, and Mr. and Mrs. Earl Lawver, Biglerville R. 1.

PERMIT ISSUED

Burgess William G. Weaver today issued a building permit to Holbert Riley, 200 W. Middle St., for the construction of double overhead doors in a barn at a cost of \$750.

CONGRESSMAN SEEKS 2ND TERM

Congressman S. Walter Stauffer, of the Adams-York-Cumberland district, today announced his candidacy for re-election. In a prepared statement he said:

"A little over a year ago I was elected to Congress on the platform that I would support President Eisenhower and his administration if elected.

"I feel that great progress has been made up to the present time. As a result of the harmony and teamwork which has prevailed, a one-year record of accomplishment has been made that will live long in history. In international affairs, we have seized the initiative for peace, halted the shooting in Korea and challenged the Soviet to join us in an endeavor to turn atomic energy into pursuits of peace instead of war.

"We have worked out a new military strategy that will make us strong for a long period of time without subjecting us to ever-increasing taxes and the risk of national bankruptcy. We have lowered taxes and a substantial increase in spending power has thereby been injected into the economy. A new spirit of efficiency and service permeates the Federal Government as waste and unnecessary expense are eliminated. Honesty and integrity have again become the watchwords of Government employment.

"The job, however, has not and cannot be completed this year. I have therefore decided to seek re-election. I will pledge my continued support to President Eisenhower in his sincere effort to fulfill the promises made to the American people one year ago."

Name 16 Models For "You Can't Beat Fun"

The names of 16 Adams County women who will act as fashion show models for the Exchange Club benefit comedy-musical "You Can't Beat Fun" were announced this morning by Mrs. David Garfinkle, committee chairman.

The list will include: Victoria Brenner, Julia Holtzworth, Josephine Brownley, Gracie Myers, Beth Frazer, Agatha Wetzel, Helen Spangler, Doris Smith, Kathie Rohrbach, Anne Settle, Marie Kuhn, Mary Lou Kranias, Mary Kay Baughman, Nita Becker, Stella George and Lois Shoop.

Further changes in the balloting for Gettysburg's "Royal Family" were revealed by Mrs. Augusta Phelps Munro, show director. The latest tally, made Thursday evening, shows Dan Greenwald still leading in the race for "king." He is followed by Larry Kepner, David McDermitt, Glenn Punt Jr., and Arthur Roth II. Debby Fair moved into first place among the "queen" entries followed by Nancy Lee Sherman, Stephanie Brown, Deborah Lee Kuhn and Diane Kargus.

Daily Conducts Poll On Change Of Name

STATE COLLEGE, Pa. (AP)—The Centre Daily Times has conducted a poll on the question of whether to change the name of the borough because The Pennsylvania State College changed its name to Pennsylvania State University.

There were votes by 313 favoring retaining the name, and 95 for changing it to something else, such as Atherton, Centre Hills, Mt. Nittany, and several others.

The newspaper will turn the poll results over to borough council.

GET OK ON CHANNEL 8

WASHINGTON (AP)—The Communications Commission yesterday granted the application of WGAL, Inc. for a Channel 8 television station at Lancaster, Pa.

The station has been operating temporarily on Channel 8 after the commission transferred it there from Channel 4 which was withdrawn for use at Lancaster.

BIKE ABANDONED

Ray Epley, New Oxford, reported to Gettysburg police Thursday evening that a youth had left a bicycle in the driveway at his home and had apparently abandoned it.

Coming Events

February 2—Meeting of College Woman's League at Christ Lutheran Church at 2:30 p.m.

Feb. 2 and 4, Exchange Club Talent Show.

Feb. 3, Sigma Chi to break ground for \$50,000 addition to fraternity house.

Feb. 4, Ladies' night banquet by Adams County Fire Chiefs' Association.

February 6—All day meeting of Adams County Fruit Growers at Peach Glen.

February 8—County cherry pie baking contest at Biglerville.

Feb. 8, Religion-in-Life Week opens at Gettysburg College.

Feb. 9, Gettysburg firemen's ladies' night dinner.

Feb. 12, Lincoln Day dinner at Hotel Gettysburg.

Feb. 13, Scout pilgrimage to National Cemetery.

Feb. 13, Valentine Dance by Beta Sigma Phi.

February 14—Conewago Deane Day of Recollection here.

March 18—Easter Seal sale opens for crippled children.

April 27, Seminary Auxiliary spring meeting on campus here.

June 20, second annual Horse Show by Gettysburg Riding Club.

Social Happenings

Phone Gettysburg 1248, 640 or 725 — After 7 P.M., 751-Y

The Alumnae Club of the Alpha Xi Delta Sorority will meet in the sorority room of Hanson Hall Monday evening at 8:15 o'clock. Officers will be installed. Dr. Martha Storek, dean of women at the college, will be the speaker.

Mrs. John Porr, Steelton, Pa., spent the day with her brother and sister-in-law, Mr. and Mrs. Richard C. Cole, E. Stevens St.

John D. Lippy Jr., Seminary Ave., will present a magic show at the Newton D. Baker Veterans' Hospital in Martinsburg, W. Va., Sunday evening at 7 o'clock.

Mrs. Charles W. Stock, E. Broadway, will leave Monday on a business trip of several days to New York City.

Mrs. H. M. Hartman, Springs Ave., is spending the weekend in Mercersburg with Dr. and Mrs. Paul A. Clutz.

Mrs. Edwirth E. Korte, college campus, is spending the weekend with her parents, Mr. and Mrs. W. E. Hamm, and her brother-in-law and sister, Prof. and Mrs. Albert Gwynn, Swarthmore, Pa.

Rev. Edwirth E. Korte, chaplain of Gettysburg College, has returned to the campus after attending a two-day conference of college chaplains of the West Virginia, Maryland, Pennsylvania and New Jersey areas in the Allenberry Inn at Boiling Springs.

Chaplain Korte addressed the Harrisburg sub-league of the Woman's League of Gettysburg College Thursday evening in the Zion Lutheran Church, Harrisburg. His topic was "The Church's Ministry on the Campus."

On Sunday Chaplain Korte will describe the new church in Puerto Rico, supported by the Lutheran Church, at a meeting in the Augsburg Lutheran Church, Harrisburg at 2:30 o'clock.

Rev. Herman Stumpfle, pastor of Christ Lutheran Church, and Rev. Edwirth E. Korte, Gettysburg College chaplain, will conduct a workshop for the Western Maryland Conference of the Lutheran League at Daubs, Md., Sunday evening.

Trinity Circle of the Trinity Reformed Church will hold a covered dish supper Tuesday evening at 6:30 o'clock in the parish hall. Mrs. Herman Hammer, Springs Ave., a Lutheran missionary on furlough, will give an illustrated lecture on missionary work in Argentina. Members of the circle are requested to provide their own table service.

Dr. and Mrs. Robert Fortenbaugh and the latter's mother, Mrs. Schweinberger, and Dr. and Mrs. Frank H. Kramer, all of W. Broadway, attended a dinner at the home of Mrs. Nieman Craley Jr. in Dallastown, Pa., Friday evening. Mr. and Mrs. Nieman Craley Jr., Red Lion, were also among the guests.

Thomas Elliott Taylor, son of Mrs. Kressman Taylor, W. Middle St., received the degree of B.S. in chemistry at exercises held at Pennsylvania State University Wednesday. He will continue graduate work in the petroleum refining laboratory at the university in preparation for his master's degree. His mother attended the graduation.

Mrs. Paul Spangler described the technique of making Swedish lace at a meeting of Girl Scout Troop 9 at St. James Lutheran Church Friday afternoon. Plans were made to tour the Doubleday Publishing plant in Hanover in the near future where the girls will learn how to bind a book.

The meeting opened with the Girl Scout promise and the singing of the laws. The session closed with the Friendship Circle. Mrs. Gordon Webster, leader, was assisted by Mrs. William G. Weaver.

The Finance Committee of the YWCA will meet Monday evening at 8 o'clock at the "Y."

Miss Mary Ellen Grose, Hanover, is spending the weekend with Miss Mary Jane Holtzworth, W. High St.

Miss Jean Mountain, a student at Wooster College, Wooster, O., arrived Friday evening at her home of her parents, Dr. and Mrs. Walter S. Mountain, W. Broadway, for a visit of several days.

Auxiliary 27 of the Sons of Union Veterans will meet at the home of Mrs. Arthur Warner, 235 E. Middle St., Monday evening at 7:30 o'clock instead of at the GAR post room which is being painted this week.

Members of Auxiliary 27 of the Sons of Union Veterans who attended installation ceremonies of Captain E. M. Ruhl Tent, 33, in York Tuesday evening were Mrs. John Settle, Mrs. Grace Turner, Mrs. Grace McDermitt, Mrs. Ida Fisel, Mrs. Helen Rebert, Mrs. Edna Walter, Mrs. Maybelle McKendrick, Mrs. Ellen Daugherty and Mrs. Marion Swisher. Mr. Settle accompanied the women.

WASHINGTON (AP)—The head of the Southern Coal Operators Assn. says the 40 cents a ton contribution that mine owners must make to the miners' welfare fund is "one major factor that has priced coal out of the market."

4-Year-Old Boy Quits Nursery; Heads Home

PHILADELPHIA (AP)—Four-year-old Leroy Eckbold Jr. decided this day nursery business wasn't for him—so he put on his galoshes and snow suit and started for home.

The sobbing, shivering little boy was found by a motorist yesterday eight miles from the day nursery—half the distance to his home in nearby Bristol. He was trudging up the middle of heavily-traveled U.S. 1, dragging his leggings behind him.

DR. H. W. ELSON PASSES AWAY

PLAINFIELD, N.J. (AP)—Dr. Henry W. Elson, 96, former college president, historian and minister, died here yesterday at his home, 1314 Watchung Ave.

Dr. Elson was president of Thiel College, Greenville, Pa., from 1916 to 1921. He received a master's degree from the college in 1899.

After his graduation from Thiel he attended the Lutheran Theological Seminary in Philadelphia. He became pastor of St. John's Evangelical Lutheran Church, Kittanning, Pa., a post he held until 1893 when he resigned to become a lecturer and writer with the University Extension Society of Philadelphia.

Attend Penn He attended the University of Pennsylvania in 1895 and 1896 and received the degree of doctor of letters at Newbury College, Newbury, S.C., in 1906.

He went on to the presidency of Thiel and later became a professor of history and economics at Ohio University.

In 1912, while a delegate to the Ohio constitutional convention, he wrote an amendment permitting a deciding vote of three-fourths of a jury in civil cases.

He wrote a number of books, mostly historical works, including Modern Times and the Living Past, History of the United States, How to Teach History, Through the Years with the Constitution, and a Star Gazer's Handbook.

Dr. Elson was the grandfather of Dr. Elson Ruff, editor of The Lutheran magazine.

Orrtanna

A hymn sing was held followed by slides showing pictures of the EUB Spanish-American mission field in New Mexico entitled "In the Valley of the Rio Grande."

Wieners and marshmallows were toasted over the fireplace and a social hour held.

Frank P. Baker is confined to his home on Orrtanna R. D. due to a throat condition.

Weaver Zimmerman has returned home from a business trip to Fort Wayne, Ind.

Mrs. Harry Stoner, Mrs. Weaver Zimmerman and Mrs. Kenneth Bream, Orrtanna, and Mrs. B. E. Benner, Fairfield, attended the funeral of their cousin, Mrs. Barbara Senebier, at Blue Ball, Lancaster County, Monday.

The condition of John U. Walter, 95, of this place, is reported to be improved at the Warner Hospital, where he has been a patient suffering from a kidney condition.

Paul Wetzel has resumed his duties as manager of the Mt. Carmel farm of the C. H. Musselman Company after an absence of three weeks due to illness from a back disorder. It was erroneously reported Wetzel resumed work at the canning plant.

Mrs. Kermit Wetzel, Solley, Md., is recovering from injuries she sustained when she fell on December 20, fracturing her right shoulder.

Kenneth Biesecker is reported to be convalescing satisfactorily at the Warner Hospital following a minor operation.

DEATHS

George A. Becker

George A. Becker, 84, retired painter who lived with his son-in-law and daughter, Mr. and Mrs. Claude Zepp, Hanover, died Friday at 7:30 p.m. in Hanover hospital where he was admitted several hours earlier. He had been in ill health for some time.

A son of the late Adam and Lucinda Becker, he was a member of St. Vincent's Catholic Church, Hanover, and its Holy Name Society. Mr. Becker was affiliated with McSherrytown Lodge 720, LOOM; New Oxford Social and Athletic Club and New Oxford Sons of Veterans chapter.

Surviving are: Seven children, Raymond G. Becker, Mrs. Edward Colgan, Mrs. Claude Zepp, Mrs. Paul Smith, Mrs. Albert Trone and Arthur and Albert Becker, all of Hanover; 20 grandchildren, ten great-grandchildren; five brothers, Charles, Pius, Frank and James Becker, all of Hanover, and Emmanuel Becker, McSherrytown, and a sister, Mrs. Mary Houser, Littlestown.

Funeral services Monday at 8:30 a.m. with prayers at the J. T. Kernan Funeral Home, Main St., McSherrytown, followed by a requiem high mass in St. Vincent's Church. The rector, Rev. Joseph G. Gotwalt, will be celebrant. Interment in St. Joseph's Cemetery.

ADVERTISE IN THE TIMES

Emmitsburg

LIONS WILL BE ORIOLES' GUESTS AT FREDERICK

The Emmitsburg Lions Club will be the guests of the Baltimore Orioles' American League baseball team, February 3, in the Frederick Methodist Church, Clarence Frally announced at Monday night's meeting of the Lions in the Lutheran Parish House.

The Lions will gather with Oriole officials to discuss plans to schedule a baseball game in Frederick this summer. Tickets for the contest will be sold through the Lions Clubs.

Secretary Robert Daugherty read a communication from Brad Wolfe of the Frederick Lions Club urging the organization to give financial support to the current March of Dimes program. The club voted a donation.

President Clarence Hahn appointed J. Ralph McDonnell as club representative to the Community Fund with Charles Fuss to serve as alternate. C. A. Elder was appointed to invite all young men of the community recently discharged from the service to be guests of the club at its next meeting.

Dr. D. L. Beagle, sight conservation chairman, announced that three pairs of glasses were purchased recently and that another request is under investigation. President and Mrs. Hahn, Mr. and Mrs. Ralph McDonnell and Mr. and Mrs. Robert Daugherty will attend the Testimonial Dinner in honor of International Director Massey Roe to be held this evening at the Hood College Dining Room.

Raise Poo Funds The Ladies Auxiliary of the VFW Post 6658, of Emmitsburg, realized \$171 from the sponsoring of several activities during the past week for the March of Dimes fund.

A food sale and luncheon Wednesday netted \$86 and a Thursday evening card party proceeds amounted to \$85. The report from the "Mother's March" committee is not yet complete but spokesmen anticipate receipts of a substantial nature.

A March of Dimes dance sponsored by the Ladies Auxiliary will be held this evening in the VFW annex. Music will be furnished by "The Four Hits and a Miss."

Homemakers Meet New miracle fabrics were demonstrated by the county home demonstration agent, Beatrice Fehr, at the Thursday meeting of the Emmitsburg Homemakers Club. The group of 14 assembled at the home of Mrs. J. Lawrence Orendorff, retiring president. Presiding was the new president, Mrs. Estella Watkins.

Miss Fehr discussed use and care of nylon, dacron, vicara and the blends of these fabrics with cotton and wool. "These new fabrics have many uses and their care is so very simple compared with the care exercised with older type fabrics," she said.

She stressed the importance of "reading the labels on the ready-made garments you buy." The demonstration agent claimed this is important because, "if the women of the country always ask to see the labels on yard fabrics and ready-made fabrics they will encourage manufacturers to be more careful about their labeling and the general public will be assured much better quality in their garments."

To Help With Minstrel During the business meeting the club voted to be "responsible" for the refreshment stand at the "Burnt Cork and Melody" minstrel show to be held February 18 and 19 in the Emmitsburg High School auditorium. The committee includes: Mrs. J. Ward Kerrigan, Mrs. J. Lawrence Orendorff, Mrs. Paul Beale, Mrs. C. A. Harner and Mrs. Charles Fuss.

The Homemakers voted \$5 to the March of Dimes fund. Next meeting will be held at the home of Mrs. George Eyster.

Miss Shirley Heller will return Monday evening to the Elizabethtown College, Elizabethtown, after spending the mid-semester vacation with her parents, Mr. and Mrs. Fred M. Heller, Gardners.

The Good Samaritan Sunday School Class will meet Tuesday evening at 7:30 o'clock in the parlor of the Trinity Lutheran Church, Ardentville, for the monthly meeting.

Miss Mary Jane Mickey, county home economics extension representative, instructed the Cashtown Home Economics Club in dressmaking at the meeting Friday afternoon at the home of Mrs. Clyde Andrew. Instructions in dressmaking will continue for several weeks. The group will meet next Friday at the home of Mrs. Vi Dear-dorff.

Bigler Sophomore Wins Pie Contest Fourteen Biglerville High School students competed in the local cherry pie contest held Friday morning in the Biglerville High School economics room.

First prize was awarded to Florence Schoffstall, 10th Grade, and second prize went to Donna Slaybaugh, 9th Grade.

The contestants were Joan Melsenheiter, Edna Kessler, 12th Grade students; Janet Stoner and Shirley Heller, 10th Grade; Agnes Thomas, Jane Heller, Patricia Warnefelt, Jane Plank, Joan Tate, Barbara Freed, Barbara Parker and Dorothy Anthony, 9th Grade.

The judges were Mrs. Allen Stauffer, Mrs. Cecil Snyder and Mrs. Vincent Hawbecker.

The county contest will be held Monday, February 8, at the Biglerville High School.

Says Pennsylvania Prisons Are Obsolete

PITTSBURGH (AP)—James V. Bennett, director of the U.S. Bureau of Prisons, says Pennsylvania's prisons are obsolete.

He told a meeting of the Pennsylvania Citizens Assn. yesterday the state's prisons "hang like a millstone about the neck of any really modern program," adding:

"Some say Pennsylvania cannot now afford new institutions to take care of the increase in prison population. . . . Maybe you can't build now, but certainly you can face up to the fact that much of your prison plant is obsolete and draft a long-range program."

Upper Communities

Telephone Mrs. Richard Raffensperger, Biglerville 8

John Frederick, a student at the Pennsylvania State Center at Pottsville, is spending the mid-semester recess at the home of his parents, Mr. and Mrs. W. M. Frederick, Ardentville.

Mrs. Clara Stull, Altoona, is spending some time as a guest of Mrs. Mary Smelser and Mr. and Mrs. Monroe Smelser, Ardentville.

The Bendersville firemen will meet Tuesday evening at the fire hall for their monthly meeting instead of on the regular date. The meeting will begin at 7:30 o'clock. The 1954 membership dues will be payable at this meeting.

W. Arnold Raffensperger, postmaster of the Ardentville post office, reports that a recent survey shows the population of Ardentville is now 512 with 135 dwelling homes. According to the census in 1950 the population at that time was 460. The population is now higher than any time in the past.

Mr. and Mrs. Frederic Grist Jr. will return to their home in Flora Dale over the weekend after spending a few days in West Chester where they visited Mr. Grist's parents, Mr. and Mrs. Walter Supplee, who will leave soon on a Caribbean cruise.

Dr. Max Hensley of the Department of Biology, Gettysburg College, will give an illustrated lecture of the "Flora and Fauna of the Desert Southwest" at the meeting of the Upper Adams County Lions Club Tuesday evening in the Biglerville Grade School cafeteria at 6:30 o'clock. The Lions Information Committee will be in charge of this meeting. Members of this committee are Harry P. Geiselman, chairman, Ryland Garretson, C. Russell Gilbert and Roland W. Kime. New members will be inducted at this meeting by Cyrus G. Bucher.

Tom Zeigler, a student at the Pennsylvania State University, is spending the mid-semester recess with his parents, Mr. and Mrs. M. LeRoy Zeigler, Gettysburg R. 3.

Mrs. Emma Siliak has returned to her home in Baltimore after spending some time as a guest of Mr. and Mrs. A. R. Heckenluber, Ardentville.

Cecil R. Snyder will return to his home in Biglerville today after spending a few days in York and Fawn Grove on business.

Among those who attended the funeral services of Mrs. Margaret Hays, widow of L. W. Hays, Biglerville R. 1, Friday morning, at the Dugan Funeral Home, Bendersville, were: William J. Orem, Mr. and Mrs. Herbert McClaskey and Mr. and Mrs. William Orem, Audubon, N. J.; Mr. and Mrs. Harry Orem and Clifford Orem, Camden, N. J.; and Mr. and Mrs. Francis Orem, Beverly, N. J.

Miss Mary Jane Mickey, county home economics extension representative, instructed the Cashtown Home Economics Club in dressmaking at the meeting Friday afternoon at the home of Mrs. Clyde Andrew. Instructions in dressmaking will continue for several weeks. The group will meet next Friday at the home of Mrs. Vi Dear-dorff.

Miss Shirley Heller will return Monday evening to the Elizabethtown College, Elizabethtown, after spending the mid-semester vacation with her parents, Mr. and Mrs. Fred M. Heller, Gardners.

The Good Samaritan Sunday School Class will meet Tuesday evening at 7:30 o'clock in the parlor of the Trinity Lutheran Church, Ardentville, for the monthly meeting.

Miss Mary Jane Mickey, county home economics extension representative, instructed the Cashtown Home Economics Club in dressmaking at the meeting Friday afternoon at the home of Mrs. Clyde Andrew. Instructions in dressmaking will continue for several weeks. The group will meet next Friday at the home of Mrs. Vi Dear-dorff.

Bigler Sophomore Wins Pie Contest Fourteen Biglerville High School students competed in the local cherry pie contest held Friday morning in the Biglerville High School economics room.

First prize was awarded to Florence Schoffstall, 10th Grade, and second prize went to Donna Slaybaugh, 9th Grade.

The contestants were Joan Melsenheiter, Edna Kessler, 12th Grade students; Janet Stoner and Shirley Heller, 10th Grade; Agnes Thomas, Jane Heller, Patricia Warnefelt, Jane Plank, Joan Tate, Barbara Freed, Barbara Parker and Dorothy Anthony, 9th Grade.

The judges were Mrs. Allen Stauffer, Mrs. Cecil Snyder and Mrs. Vincent Hawbecker.

The county contest will be held Monday, February 8, at the Biglerville High School.

LOAD OF POLES SMASHES AUTO

A 1950 coupe was nearly demolished Thursday evening in Waynesboro after a cargo of utility poles broke loose from its trailer and slammed into the rear of the car.

Waynesboro police said the car, owned by R. N. Stevens, Shady Grove, was parked in front of 130 North Grant St., about 4:45 p.m., when the utility poles slammed into its rear, sandwiching it against a tree.

Investigation revealed that the Potomac Edison truck and trailer were traveling south on the street when the pole which had the couple attached broke in two pieces. This released the trailer from the truck and caused the poles to spill onto the west side of the street against the parked car.

Earl W. Harbaugh, Fairfield R. 1, was the driver of the truck but did not witness the accident since it happened back of his truck.

The poles were removed from the scene about a half hour after the accident. Police announced there were no arrests and were inclined to regard the accident as unavoidable.

LONG BEACH, Calif. (AP)—The last U. S. naval fighting unit active in Korean waters has returned to its base here.

The word "cemetery" literally means "sleeping place."

OCCUPANCY AT

(Continued from Page 1)

"proud and appreciative of the wonderful work you have done and are doing." Resolutions of thanks were adopted and the secretary was directed to convey them to the auxiliary.

Dr. C. H. Johnson, president of the medical staff, in his report to the board lamented the absence of an autopsy room and called the board's attention to the inadequacy of the space available to the x-ray department. In the latter, he was supported by President Hauser who said that a meeting will be called soon of the executive committees of the staff and the directors to discuss these problems and to consider the recommendations recently prepared by the medical staff.

Dr. James H. Hammet, Fairfield, on recommendation of the medical staff, was admitted as a member of the hospital medical staff.

A discussion of crowded parking facilities developed several suggestions and President Hauser referred the matter to the building and grounds committee.

Plan Meeting On Finance

Following a discussion of the finances and the hospital endowment funds, it was suggested that the directors and the medical staff hold a joint meeting with members of the Adams County Bar association and other professional groups, including bank trust officers, as a means of emphasizing the need for increased endowments. This matter was referred to the public relations committee for action.

President Hauser said that the Musselman company is donating a resuscitator to the Biglerville Fire company for use in upper-Adams County and asked Dr. Johnson to make the availability of this equipment known to the doctors of the hospital staff and the county medical society.

Admissions in November and December totaled 597 patients with an average daily occupancy during the two months of 69 patients. Births during the two months totaled 146.

Financial Report

Expenditures exceeded cash receipts by nearly \$3,000 during the two months. Cash receipts were \$50,299.36, while expenditures were \$53,292.90.

During the same period earned income of the hospital was \$45,670.55, while actual expenses were \$45,740.72 or \$70.17 in excess of earned income.

Insurance, taxes and contract allowances plus \$5,325.67 of free service was not offset by salvage income of \$107.77, the state appropriation payment of \$1,429.00 and donations of \$2,761.87, which includes \$2,500 appropriation from the Commissioners of Adams county. Thus the months of November and December showed a loss of \$2,536.85.

This emphasized the importance of the income from the hospital's letter campaign.

In the present fiscal year which began December 1, 1953, to and including January 28, 1954, 3,072 letters brought 1,331 contributions of \$3,042.25.

"The subscription to the Adams Countians through this campaign continues to be a money that the hospital receives," President Hauser declared.

"It makes possible the fine medical care that the hospital affords to Adams Countians who are unable to pay for hospital service. In brief, it enables the hospital to fulfill one of the great functions for which it was created."

Besides President Hauser, directors attending the meeting were: Richard C. Livingston, New Oxford; Edgar McDannell, Ardentville; William Sneeringer, Littlestown; Howard Musselman, Orrtanna; Lloyd W. Kuhn, Bendersville, and Leo McDermitt, Carl Baum, Clark Smith, Edmund W. Thomas and Henry M. Scharf, all of Gettysburg.

Overflow Crowd At Dedication Of Rolling Acres Grade School In Littlestown Friday Evening

Approximately 2,000 people visited the new Rolling Acres Elementary School in Littlestown before, during and following the dedication ceremonies, which took place in the general purpose room of the school on Friday at 7:45 p.m. The room, which seats 700, was filled to capacity and 700 more found places in the cafeteria adjoining and in the various classrooms, where the entire program was heard over the public address system.

The dedicatory address was given by Dr. Ralph Swan, deputy superintendent of the Department of Public Instruction, Harrisburg. He emphasized that "a good school system is a foundation of the American way of life." Dr. Swan pointed out that "public education is based on Christian principles, which belong in the development of every individual, regardless of race, color or creed." He further stated that "due to the increased enrollment in our schools, 11,900, 13,000 new teachers will be needed to fill the positions created by the extensive building program now in progress. This building is a great instrument to be used in helping to develop better citizens for the community."

Paul E. King, supervising principal of the Littlestown Joint School System, was the master of ceremonies and he read a telegram received from Governor John S. Fine as follows: "Sincerely regret that a previous commitment prevents my attending the dedication of Rolling Acres Elementary School this evening. Would greatly enjoy being with you. My warmest greetings and best wishes for a splendid occasion. Cordially, John S. Fine."

Gifts Presented
Mr. King introduced the platform guests. Donald P. McPherson, state senator, who was scheduled to attend, could not be present. Richard Dell, as representative of the Swam Electrical Company of Hanover, and Wilson Wenk, president of the Adams County Elementary Principals' Association, were in attendance, in addition to public and school officials of the county. Miss A. Marie Budde, soloist for the dedication, sang as an encore "Your Land and My Land."

Mrs. Lawrence T. Dooley, president of the Ladies' Auxiliary of the Mason and Dixon Memorial Post No. 6954, VFW, presented an American flag, a gift of the Auxiliary to the school and R. R. Kunkle, president of the Littlestown Jointure Parent Teachers' Association, presented a State flag, on behalf of the PTA. Both flags were on the stage, which was also decorated with palms and ferns. A large number of baskets of flowers were arranged in the corridors, the gifts of well-wishers, and each of the 18 classrooms had a vase of flowers on the teacher's desk. Each teacher was in his or her classroom to greet the parents and other friends visiting the school. Each person entering the school re-school, together with the numbers of the classrooms and teachers.

Band Entertains
The numerous visitors Friday evening were entertained with a program of music by the high school band following the dedicatory program.

The financial data announced in the program revealed that the total amount of the bond issued was \$492,543.81 and the interest on the investment was \$4,238.08. For building, the general contract was \$307,487; heating contract, \$45,725.97;

plumbing contract, \$31,311.03; electrical contract, \$41,940; grounds, \$3,500; contents were kitchen and table service, \$9,620.85; furniture and equipment, \$17,911.89; stage curtains and drapes, \$2,646.45; contingencies amounted to architects fee, \$21,323.15; printing, bonds, etc., \$1,009.12; professional counsel and legal service, \$6,247.70; surveys and permits, \$38.50, a total of \$488,760.76.

The advisory staff for the new school includes: The architects, Bernard E. Starr and Paul V. Long; fiscal agents, Butcher and Sherred; bond council, Saul, Ewing, Remick and Saul; legal advisor, Daniel E. Teeter; trustee, Littlestown National Bank.

The Joint School Committee is composed of Arthur E. Buehler, president; Stanley R. Sell, vice president; Henry E. Waltman, secretary; Elmer E. Furlow, treasurer, and members Glenn C. Bowers, Wade H. Brown, Lloyd E. Crouse, Wilbur E. Mackley, Ray V. Reichart, Charles M. A. Shildt, Maurice J. Smith and George S. Worley.

The Boards of Education consist of: Germany Twp., Wade H. Brown, Kenneth E. Byers, William J. Feaser, Elmer E. Furlow, Clayton E. Harget and Luther S. Hess, a non-member; Littlestown Borough, Karl P. Bankert, Carl H. Baumgardner, Lloyd E. Crouse, Wilbur E. Mackley, Henry E. Waltman and Luther W. Ritter, a non-member; Mt. Joy Twp., Glenn C. Bowers, Arthur R. Buehler, John W. Schwartz, Charles M. A. Shildt and Austin C. M. Shoemaker; Mt. Pleasant Twp., Joseph A. Chrismer, Bernard P. Murren, Charles P. Myers, Ray V. Reichart and Maurice J. Smith; Union Twp., Edward B. Geiman, David S. Little, Stanley R. Sell and George S. Worley.

HIGHLAND TWP. TAX COLLECTOR FILES REPORT

J. H. Scott, Highland Township tax collector, today filed the annual township tax statement with the clerk of the courts which shows that Highland taxables paid \$11,563.24 in 1953. Cost of collecting the taxes was \$409.02.

The report reveals that township taxes amounted to \$1,162.08; school district, \$7,323.38; county, \$1,916.15, and institutional district, \$1,161.63.

The collection was made at a cost of \$45.27 to the township, \$253.75 to the school district, \$69.99 for county, and \$40.01 for the institutional district. Scott's salary and commissions amounted to \$398.52.

Highland Township, with 130 property owners, has a \$225,445 assessment on real estate. The occupation assessment for 240 persons is \$13,960. Township taxes levied in 1953 amounted to \$1,197.14. Of this amount \$143.66 remains uncollected.

School Taxes
School taxes included a per capita tax of \$12 and a 20 mill rate on real estate. Highland's school district taxable rates for real estate was a levied amount of \$4,600.68 and \$3,144 per capita. Of this amount \$6,420.95 has been collected and \$1,209.08 remains outstanding.

County taxes totaled \$1,810.14 on real estate and occupations, and \$207.86 on the taxable personal property owned by township residents. \$1,782.36 was collected and \$235.64 remains outstanding.

Institution district taxes amounted to \$1,206.50 on occupations. A total of \$1,053.07 was collected with \$153.43 outstanding.

ASK CITIZENS
(Continued from Page 1)
tem, Pennsylvanians can still count on only ten minutes of advance warning of an attack."

Until such time as improved warning methods are available the "duck and cover" protection is still the best, the directors said.

"Should everyone take to their cars to head for the country in time of attack the entire state would be tied up almost immediately in one gigantic traffic jam in the event of an attack," they added.

Gertsell pointed out that if York's 60,000 people left that community at one time in their 35,700 cars and trucks, they would form single solid columns extending north to Harrisburg, south to the Mason-Dixon line, east to Lancaster and west to Gettysburg.

Littlestown GRADE SCHOOL PUPILS TO EAT IN 3 SHIFTS

Parents of the elementary pupils of the Littlestown Joint School System have been advised that beginning Tuesday, the classes will occupy their new Rolling Acres Elementary School on E. Myrtle St. The first session of school will begin at 8:30 a.m. and door will open at 8:20 a.m.

Play areas have been developed indoors and those outdoors have been made practical for all weather. A modern cafeteria has been installed and trained nutritionists have been employed. It is hoped that each pupil will use these services.

The lunch hour has been so arranged that the pupils will eat in three shifts: Grade five and six, 11:45 a.m. to 12:35 p.m.; grades one and two, 11:50 a.m. to 12:40 p.m.; grades three and four, 12:10 to 1 p.m. The length of lunch period for each group will be 50 minutes.

This will be divided between eating time and supervised play, with the homeroom teacher in charge. Each pupil may either pay 25 cents for a balanced meal as served by the school or carry his lunch. In either case he will eat in the cafeteria. In the event it is inconvenient to have him do either of these, he may go home for lunch, leaving at the beginning of the lunch period designated for his grade and return at the end of the period as indicated. Children requesting permission to go home for lunch will not be allowed to return to school before the time mentioned for the end of that period. If a parent wishes his child to follow the latter procedure, written request must be filed with the homeroom teacher. Whole milk will be available during the morning recess period at a cost of seven cents per half pint. The afternoon session will end at 3:30 p.m.

Class Holds Meeting
Members of the Starr Bible Class of St. Paul's Lutheran Church held their monthly meeting on Thursday evening at the church. Mrs. Holman L. Sell, class president, presided and read the Scripture and offered prayer. The Lord's Prayer was repeated in unison. Mrs. Paul Schivert was pianist for group singing. A report was heard from Mrs. Maurice C. Wareheim, secretary. It was decided to hold a covered dish supper for members and their families at the next meeting on Thursday, February 16, 6:30 p.m., at the church. Refreshments were served by the January hostesses, Mrs. Ralph Conover, Mrs. Robert Wilson and Mrs. John Kindig.

Mrs. Claude Wintrobe, Crouse Park, will be hostess to the Mite Society of St. Paul's Church for the February meeting on Tuesday at 7:30 p.m.

Donation To Polio Drive
A contribution of \$5 was voted to the March of Dimes by the Ladies' Aid Society of St. John's Lutheran Church, at the monthly meeting on Thursday evening in the Sunday School room of the church, when 18 members and three visitors were in attendance.

The program was in charge of

"I'M GRATEFUL GOD"

I thank You God for giving me . . . the strength to carry on . . . the faith to face life with a smile . . . with hope to greet each dawn . . . for all the blessings You bestow . . . upon me every day . . . for guiding me through evil and . . . showing the righteous way . . . I'm grateful for the little things . . . You cast into my life . . . the things taken for granted . . . that help drive away my strife . . . for my dear wife and children who . . . bring untold happiness . . . by giving me their deepest love . . . and wonderful caress . . . for sight to view the wonders of . . . this world in which I live . . . for tolerance and brotherhood . . . that cause me to forgive . . . I know I am not worthy of . . . all You have given me . . . for many were the times that I . . . planted an evil tree . . . and so it is I pray to You . . . with thanks for everything . . . with You inside my heart I feel . . . the touch of endless spring.

charge of Paul A. Harner, Mrs. Joan C. Will and Lloyd L. Stavelly; February 18 through 20, district band; February 19, home basketball game with York Springs; February 24, home economics program in charge of Mrs. Virginia Sheely; February 25 and 27, basketball league play-off.

Members of the Council of St. John's Lutheran Church will meet for their monthly session on Monday evening at 7:30 o'clock at the church.

Mrs. Jesse Slick, along the Harney Rd., will be hostess to the Ladies' Aid Society of St. James' Reformed Church for the February meeting on Monday at 7:30 p.m.

Plan S. S. Supper
Mrs. Catherine Flickinger, Mrs. Ruth Sneringer, Mrs. Mildred Wallick and Mrs. Emily Hahn comprise the entertainment and refreshment committee for the monthly meeting of the Ladies' Auxiliary to the Alpha Fire Company on Monday evening at 7:30 o'clock at the engine house.

The February meeting of the Ladies' Aid Society of Grace Lutheran Church, Two Taverns, will be held on Monday at 7:30 p.m. in the parish hall.

A covered dish supper will be held in connection with the monthly meeting of the officers and teachers of the Children's Department of Redeemer's Reformed Sunday School and their families on Monday evening at 6 o'clock in the church social hall. Arrangements for the program are in charge of Mrs. Robert H. Miller, Mrs. Theron J. Basehoar and Mrs. Donald C. Feaser.

The kitchen committee includes Mrs. John E. Stambaugh, Mrs. John D. Basehoar and Mrs. Kenneth K. Kroh.

Legion Plans Minstrel
Plans were made for the Ocker-Snyder Post No. 321, American Legion, to hold a public shrimp feed, at the semi-monthly meeting of the Legionnaires on Thursday night at the post home, E. King St. The date set for the affair was Friday, February 19, at 8 p.m. The committee on arrangements for the shrimp feed includes J. Donald Lemmon, William Pfaff, Robert C. Gouker, Herman G. Kaler and Clyde H. Rohrbaugh.

Commander Vernon J. Study conducted the meeting. It was decided to hold a minstrel show sometime in April. The following were appointed to serve as a committee in charge of arranging the minstrel: Stewart N. Long, chairman, Richard A. Long and J. Donald Lemmon. A report was heard from adjutant Elmer W. M. Duttera. The next Legion meeting will be held on Thursday, February 11, at 8 p.m.

The Council of St. Mary's Lutheran Church, Silver Run, will meet for the February session on Monday at 7:45 p.m. in the church office with the pastor, the Rev. Fr. Frederick R. Seibel.

Mrs. Howard Study, Crouse Park, will be hostess to the Women's Bible Class of St. Mary's Reformed Church, Silver Run, on Monday evening at 7:30 o'clock. Devotions will

HAMILTONBAN TOWNSHIP TAX REPORT FILED

The Hamiltonban Township tax collector's report for 1953 filed Thursday with the clerk of the courts by W. H. Rentsel, Fairfield, showed that township taxables paid \$40,757.31 while school tax collection totaled \$28,601.74.

Collection of taxes amounted to \$3,574.87 for the township, \$28,601.74 for the school district, \$5,185.95 for the county, and \$3,394.75 for the institution district.

The collection was made at a cost of \$176.83 to the township, \$1,411.81 to the school district, \$178.25 to the county, and \$117.94 to the institution district. Rentsel's salary and commission as tax collector in 1953 was \$1,884.83.

\$715,649 Assessment
Hamiltonban Township, with 686 property owners, has a \$715,649 assessment on real estate. The occupation assessment for 911 residents is \$58,220. Taxes levied on real estate the past year amounted to \$3,870.64. Total township tax collections in 1953 was \$3,574.87 with \$326.50 outstanding.

School taxes included a per capita tax of \$10 and a 30 mill rate on real estate. Hamiltonban's school district levy on taxable real estate was \$21,617.94 and \$9,930 per capita. Still not collected is \$5,334.56. County taxes totaled \$5,417.86 levied against real estate and

Another Disastrous Blaze Hits Pusan

PUSAN, Korea (AP)—Wind-fanned flames charred a three-quarter-mile stretch of hillside homes and shanties Friday in Pusan's second disastrous fire in three months.

City officials said four persons might have been killed. More than 8,000 were left homeless and 1,500 houses were destroyed.

Many were one-room shacks or Jerry-built wooden crate additions to Korean houses.

U.S. Army relief supplies were immediately made available. Part of the supplies came from stocks being unloaded to care for the refugees created by the November fire which left 35,000 homeless.

ATTEND FUNERAL

Mrs. Harry Stoner, Mrs. Weaver Zimmerman and Mrs. Kenneth Bream, Orrtanna, and Mrs. D. E. Benner, Fairfield, attended the funeral of their cousin, Mrs. Barbara Sensenig, in Brueball, Lancaster County, Monday.

\$52.80 personal property. An amount of \$5,185.95 in '53 and prior years' taxes was collected with \$432.08 outstanding.

Institution district taxes amounted to a \$3,870.31 levied on real estate. The collector took in \$3,394.75 institution district taxes in 1953 while still outstanding is \$656.61.

It is estimated that about 1.8 billion pounds of detergents are manufactured in the United States in a year.

TEN YEARS AGO

"Good Neighbor Club" Raises Cash for Polio Fund: Gettysburg's "youngest" club both in length of time organized and in age of members, presented its most ambitious program so far Wednesday afternoon to entertain 60 guests and raise \$8.60 for the Infantile Paralysis fund.

The "Good Neighbor Safety Club," an organization of 16 town youngsters ranging in age from five to 11, held its own March of Dimes program at the home of the president, Miss Nancy Lighter, 10 "almost 11," Buford Ave., with some assistance from the president's mother, Mrs. Richard C. Lighter. A feature of the program was a talk on India by Mrs. Luther Slifer, missionary on leave from India.

Miss Eicholtz in Court House Again: Miss Edna Eicholtz, who for 25 years has served in various offices at the court house, today began her duties as deputy prothonotary, filling the position vacated by Mrs. Sarah Doll, who has accepted a position in Harrisburg.

Miss Eicholtz served under former Prothonotary Lee M. Hartman and left the office early this month to accept a position in the Gettysburg National Bank. She was recalled to the prothonotary's office by Prothonotary Arthur H. Shields when Mrs. Doll resigned the deputy's post.

Raymond F. Topper Heads County Bar: Raymond F. Topper, Esq., was elected president of the Adams County Bar association at its annual meeting Saturday in the law library at the court house. He succeeds J. Donald Swope, Esq. Eugene V. Bullett, Esq., was elected vice president, and William L. Meals, Esq., who has been secretary-treasurer of the organization since 1916, was renominated to that post.

Dr. Paulsen To Be Naturalized as U. S. Citizen: Dr. Bertha Paulsen, professor of sociology at the Gettysburg Lutheran Theological Seminary and a first semester instructor this year at Gettysburg college, will become a citizen of the United States at the Lehigh county court house, Allentown, February 9, and shortly thereafter will be the principal speaker at an American Legion Americanism program.

Air Corps Course Here Discontinued by War Department: Gettysburg was dealt a severe shock this morning when the War Department announced that the 55th College Training Detachment (Aircrew) Army Air Corps at Gettysburg college would be discontinued after the present enrollment of aviation students had completed their course.

The order affects sixteen colleges in Pennsylvania where young aviation students are being trained as pilots, bombardiers and navigators. Dr. Henry W. A. Hanson, president of the college, said that he had not reached a decision on what the college will do after the aviation students leave. With 550 aviation students and a little more than 200 civilian students, the college has reached a peak enrollment in its history. It is not known whether the college would operate with less than 300 students.

The current graduating class completed its flight training on Thursday. With the completion of flying instruction for that group the Gettysburg Airport established an enviable record. It has trained 1,210 aviation students. The instructors flew 847,000 miles during 12,100 hours while training the cadets. During that entire period there has not been a single accident.

Building New Shoe Factory for Fairfield: Fairfield, which gave over its community hall to be used as a factory more than a year ago, will soon have a new and modern factory and the community hall will be returned for use of the students of the town and the townpeople.

The Beaudin Shoe Company, first manufacturing establishment to settle in Fairfield in recent years, has already started construction on its new building and hopes to have the new shoe ready for occupancy by April 1.

The old Methodist church, long unused for religious services, has been converted into an office building and part of the plant. To the rear of the former church two 100-

Today's Talk

By GEORGE MATTHEW ADAMS

THE START IS EVERYTHING

Nothing is so interesting about the career of any successful person as his starts and beginnings. We look upon the crude inventions of the steamboat, locomotive, automobile, airplane, and endless other examples, as most interesting, for they pointed the way to the great improvements that have enriched mankind.

Bad starts are an evil omen, but they often do spur one that he wins anyway! They are always important, however. The poor foundation later wrecks the entire structure. Even in a horse race a good start may tell the story of the race. In many an athletic contest the same is true.

The world has little patience with the one who says: "I never had a chance." Success in life is relative. It all depends upon the objective that one has in mind. He can be a fine mechanic, a good janitor, or an efficient road builder—and the world honors all such. The mere maker of money may be the poorest kind of a friend. A different start may have made of him a benefactor, though he accumulated wealth. The Wrights were starters, but they never flew their plane beyond a short distance. Others carried on their start.

Rarely does the boy or girl brought up in a good home depart from the lessons of thrift, integrity, and religion taught there. They become cumulative and put increasing character into every experience. They become the parents of related aids to success and happiness.

The best start to form a group of life-long friends is to start being a friend yourself. Look only for the good points in another and early learn the value of loyalty to those worthy of it. To cultivate a love of books, start by reading a good one. Every harmful habit has a start! Break it before it gets set! If it has its hold, replace it with a good habit.

Protected, 1954, by George Matthew Adams Service

Just Folks

MAN AND BEAST

One difference twist man and beast
Is, only mortals plan a feast
And keep in memory many a date
From year to year to celebrate.

Another, when from duty freed
"Tis man alone a book can read,
And only man can write and send
A cheering letter to a friend.

Well fed, all other creatures sleep.
They have no promises to keep.
No thought to others they must give.
Their only problem is to live.

That beasts like beauty, no one knows.
His faith in God man only shows.
And only man at close of day
Within his bedroom kneels to pray.

Old Prices At 20th Anniversary Party

VANCOUVER, Wash. (AP)—Twenty years ago Steve LeRouge went into the restaurant business. Next Tuesday, at his restaurant at Dollar's Corner, about 16 miles northeast of here, he will observe the anniversary by following his original menu—prices included.

And so those who crowd into his establishment—he can seat perhaps 20 or so—can choose among these: T-bone, 40 cents; roast beef, 35 cents; ham-burgers, 10 cents; coffee, 5 cents; and a great big banana split with three scoops of ice cream for a quarter.

SIGNS NEW PACT

SEOUL (AP)—President Syngman Rhee Friday signed the mutual defense treaty between the Republic of Korea and the United States.

foot long frame and corrugated metal buildings are being constructed. The one building is already partially sheathed with its metal cover while the framework of the other is nearly completed.

Two hundred and fifty persons will be employed in the new factory, it was stated. The present plant, housed temporarily in the community building, has about 75 employees.

"June in January" Heat Sets 28-Year Record Here: Gettysburg and Adams county enjoyed June in January weather again today (January 28) as the "heat wave" ran into its third day in this section.

On Thursday the thermometer at the weather station conducted by Dr. Henry Stewart showed a maximum of 66 degrees, the warmest January 27th since 1916 when the thermometer climbed to a maximum of 71.

Wednesday's maximum was 65, which equaled the record for January 26, 1916. Today the mercury stood at 64 at noon and it was possible that the temperature would reach the 41 year record of 67 set on January 28, 1916.

ADVERTISE IN THE TIMES

RED CONTINUES TO BLOCK EVERY BIG 4 EFFORT

By JAMES MARLOW

WASHINGTON (AP)—Secretary of State John Foster Dulles long ago paid a high professional compliment to Vyacheslav M. Molotov, the Russian foreign minister.

Molotov, he said, was quite a diplomat, one of the best. And Molotov, whose name means hammer, isn't letting him down, now that the two men are meeting in Berlin with two other foreign ministers, Britain's Anthony Eden and France's Georges Bidault.

As soon as the conference gong sounded Monday Molotov began throwing left jab. His footwork was pretty good. He was a faster counterpuncher. And today, near the end of the first round, he wasn't even sweating.

The Big Three had tried for six months to pin Molotov down to what the diplomats call an agenda: a 1, 2, 3 list of things to talk about when and if they got together.

Give In To Red

If he agreed, the Big Three would have him pinned in a corner: once the meeting began, he'd have to stick strictly to the agenda. The rules would be laid down. Molotov wouldn't buy the agenda idea. What he said was: if we're going into the ring, we'll make the rules when we get there. Since the Big Three wanted to see him, they agreed: no agenda before they started.

What Dulles, particularly, had said he wanted to talk about was unification of Germany and an Austrian peace treaty. It was no secret he didn't want the Russian to succeed in softening up the French any more on the single European army idea. The United States is relying on that army in the defense of Europe.

When they climbed into the ring Monday the four ministers had an understanding: Bidault, Eden, Molotov and Dulles would all talk the first day, in that order.

Attacks U. S. Again

Bidault and Eden were polite. But Molotov wasn't at all. He attacked the United States for its defense plans, said West Germany couldn't be trusted to rearm, as the United States urges, and talked about the need to cut down on armaments.

Then he laid down an agenda of his own and asked the Big Three to accept it. They should, he said, discuss in this order:

"Measures for reducing tensions in international relations" and a meeting of the four of them with Red China in the spring; the German question; and a peace treaty for Austria.

To get things going, the Western Allies accepted. But Dulles called off the speech he had ready for that day. That night he rewrote his speech.

Dulles Blusters Him

The next day he peppered the Russian. That didn't bother Molotov much. The Big Four began considering the items on the agenda, starting from the beginning.

Right off Molotov made a big pitch to bring Red China into a future conference, meanwhile making eyes at the French with a hint maybe if they played ball with Russia, Russia could manage to end their war in Indochina.

Dulles blistered him again, and the Red Chinese in the bargain. Finally Molotov was willing to stop talking about China—for a while at least.

If the Big Three sighed with relief at that and thought—"now we can get down to cases and talk about Germany, No. 2 on the agenda"—they were caught flat-footed.

Molotov punched again. He suggested a world conference on disarmament. The Big Three went back to their dressing room to figure out the answer to that one.

4 POWS FEARED PUNISHMENT

TOKYO (AP)—At least 9 of 21 American prisoners who turned their backs on their homeland acted as stool pigeons for Chinese guards in North Korean prison camps, the U.N. Command officially disclosed Thursday.

The nine were accused of informing on fellow prisoners. The UNC said of the 21:

Four expected to be punished if they returned and were afraid to come back.

Five were sent to China during their captivity for further schooling.

Seven were either selected for or promised more schooling in Red

China.

Five were considered weak and not sincere in their Communist beliefs.

"Reasons they stayed with the Reds were: they fell in love with Chinese women; they hoped to get something for nothing; and they were promised educations in China."

Twelve were "Progressives" from the first days of capture and active in all kinds of Red activity in the prison camps.

60 More Soldiers Are Presumed Dead

WASHINGTON (AP)—The Army Friday identified 60 additional soldiers, missing in Korean action for more than a year, in whose cases a presumptive finding of death now has been made.

The Army said no information has been received to indicate any of them might be alive.

In six previous lists the Army has named 3,372 officers and men, once listed as missing, whom it now presumes to be dead.

Friday's list included these Pennsylvanians:

M. Sgt. Grant R. Fetrow, husband of Mrs. Hilda R. Fetrow, Route 3, Mechanicsburg.

Sgt. Wilber Jerome Key, son of Mrs. Bertha Key, 2935 W. Oxford St., Philadelphia.

Pfc. James L. Kessler, son of Nick Kessler, Sturgeon.

Pfc. Robert L. Paul, son of Mrs. Dora M. Paul, 517 Welsh St., Kane.

JIM ROOSEVELT

BEING SUED FOR SUPPORT SUM

PASADENA, Calif. (AP)—The wife of James Roosevelt, eldest son of the late President, has filed a suit for separate maintenance in which she names three other women as co-respondents.

The suit, filed by Romelle Schneider Roosevelt in Superior Court Thursday, asks \$2,000 of monthly support and an additional \$1,500 for support of their three children.

Her complaint named as co-respondents Gladys Irene Owens, also known as Irene Owens, June Nelson, also known as June Jordan, and Elaine Hilton. The three were not otherwise identified.

Wants Bag Holder

Last Jan. 18 Roosevelt filed his own suit for separate maintenance asking that his wife be compelled to give him certain personal articles, including a cigarette holder he said belonged to his father. He asserted she had caused him "mental and physical anguish and distress."

Mrs. Roosevelt's complaint said she and her husband had an agreement under which he promised to give her 50 per cent "of my separate property as well as your share of our community property."

She asked the court to issue an order for Roosevelt to carry out this agreement.

The Roosevelts were married in 1941.

Mrs. Roosevelt's suit also asserted that her husband wrote her a letter dated Feb. 27, 1945, while he was in the Marine Corps, admitting infidelities with other women. However, Mrs. Roosevelt's attorneys said only three women were named as co-respondents in the suit as the other cases involved occurrences more than two years ago and that the statute of limitations bars naming them as co-respondents.

Mrs. Roosevelt's lawyers said a copy of this letter, as well as another one setting out a property agreement, were filed in court with the complaint as exhibits in seeking to force Roosevelt to abide by the property agreement.

Her suit asks for separate maintenance on grounds of infidelity within the last two years.

HARRISBURG (AP)—W. J. Clements, secretary of mines, said Friday a preliminary report on a recurring mine fire at Carbondale shows positively that the blaze is raging directly under several homes.

"That will complicate the problem of combating this mine fire," Clements said.

Your Income Tax

(Last of Six Articles)
By FRANK O'BRIEN

WASHINGTON (AP)—The Revenue Service has been keeping track of questions most frequently asked by income tax payers. A number of these have been answered in earlier articles in this series. Here are answers to some of the other leaders:

1. What is my tax position when I sell my home?
If you lose money you are out that much. It is not a deductible loss.

If you make money you pay taxes on the difference between what the house cost you plus permanent improvements (like a new bathroom) and what you get for it, except:

You do not pay any tax if, within a year before or after the sale, you buy and occupy a new home which costs an amount equal to or more than what you got for the old.

New Home Tax
If the costs of the new home is less than the sale price, you pay taxes on the part of your sale profit you did not reinvest. (If you sold for \$15,000, making \$5,000 profit, and bought for \$13,000 you pay on \$2,000.)

If you build rather than buy a home ready-built, you have 18 months instead of a year to reinvest tax free.

All this applies to your home, not to rental or business property.

2. Can a working mother deduct costs of maid, baby sitter, or sending her child to nursery school?
No. Congress is considering giving relief, but it will not apply to 1953 taxes.

3. Are pensions and retirement pay taxable?
Yes, except:
You don't pay on social security benefits.

Veterans' benefits for sickness or injury resulting from active service are not taxable. (But taxes are due on retirement pay based on age.)

3 Per Cent Pension Tax
You don't pay a tax on the part of your pension (or other annuity) that you contributed—that is, the amount you paid into the plan over the years. You can pay taxes on only 3 per cent of your pension until you have charged off all you put into it.

4. What kinds of taxes are deductible?
Nonfederal income, personal property and real estate taxes (except

what you pay for improvements—like paving assessments); nonfederal retail sales taxes if they are passed on to the consumer and stated separately on the bill. Gasoline taxes of some states, for instance, are deductible. Others are not. Federal gasoline taxes never are deductible. Auto license costs are.

You may not deduct for hunting or dog licenses, auto inspection fees, water taxes or taxes paid by you for another person.

Service Men
What taxes do members of the armed services pay?
They pay taxes on base pay, special duty pay, longevity pay, reenlistment bonus and retirement pay, except:

Enlisted men are not taxed on pay for service in active combat zones or while hospitalized from combat. Officers get combat pay exemption up to \$200 a month.

Those stationed overseas have until June 15 to file returns but pay interest from March 15 on what they owe.

Unpaid taxes of men who die in combat or from combat injuries or sickness are forgiven.

6. Are repairs to business property deductible?
Yes, but repairs are not improvements. The court ruling is, repairs keep property "in ordinarily efficient operating condition."

7. How do I figure depreciation on a rented dwelling?
It's best to get expert advice on this, but depreciation usually is figured on the expected useful life of the building—usually 40 years.

8. Are scholarships, fellowships and the like taxable income?
You pay if you did something to get it—like entering a contest or doing special research to qualify. You do not pay if it is a free gift to you just because someone thinks you merit it.

WASHINGTON (AP)—John L. Lewis Friday denounced President Eisenhower's Taft-Hartley proposals as "pale palliatives, calculated falsely to soothe rather than genuinely to cure the manifold inequities and injustices so deeply imbedded in the act."

Lewis demanded total repeal of the 1947 labor-management relations law.

The word "cattle" was almost synonymous with the word "chatel."

HUGE HEART IS ON DISPLAY

PHILADELPHIA (AP)—Franklin Institute is the museum with a heart—a big one, about 28 feet long and 17½ feet high. The huge model of the human organ, so realistic it does all but pump blood, is on display at the

Warriors Stage Late Drive To Upset Delone Dribblers 42-32; Scrubs Laced 49-26

A scrappy Delone Catholic High School basketball squad forced the Gettysburg High dribblers all the way before the Warriors spurred late in the third period and went on to a 42-32 decision here Friday evening.

A trio of reservists, Stan Musser, Pete Baughman and Ronnie Williams, turned in fine relief jobs in the second half to lead the way when the Warriors made their game-clinching spurt.

Coach George Forney's lads led the whole way but never by a large margin as several times the Squires pulled to within a point.

Gettysburg got off to a fast start on a one-handed shot by Paul Ketterman and a long toss by George Penn which sandwiched a foul shot Jack Codori of the visitors. Burnell Billman tallied on a lay-up for Delone before Jay Schmitt looped a lay-up and Ketterman a one-handed shot. Schmitt's foul made it 9-3 after 2:45. Codori's goal was off-set by foul shots by Rohrbach and Penn. Billman connected on a long toss before Rohrbach converted on a free toss. The Squires spurred to deadlock the count at 12-12 on a follow-up by Ruby Bair, foul by Jake Chrimer and a long toss by Chrimer.

Scoring Limited
Scoring was at a premium in the second period as neither team could connect consistently. Schmitt landed a long shot and Billman made good on a pair of fouls. A side shot by Schmitt was followed by a foul by Codori. After 4:30 minutes Schmitt dropped in a foul and scoring was completed when Musser dribbled through for a goal to make it 19-15 at the half.

A foul and goal by Chrimer pulled Delone to within a point in the first half minute of the third period before Fred Baker dribbled under for a lay-up. Billman and Penn matched long tosses and then the teams went scoreless for three minutes. Jude Smith finally tallying on a one-handed stab. Rohrbach sank a long shot and Codori followed with two foul conversions. Musser re-entered to replace Schmitt who had drawn four fouls and quickly dribbled through for a goal. A foul by Smith shaved Gettysburg's margin to 27-25 after 5:30. Five straight points on a foul by Baughman, lay-up by Musser and a side shot by Baughman hiked the Warriors' lead to 32-25 at the quarter.

Warriors Pull Away
Baughman netted a foul to start the final stanza and after 1:15 Billman hit on a short toss. Williams retaliated with an under-the-rim shot before Rohrbach and Smith traded fouls. A goal by Rohrbach, two fouls by Baughman and another by Williams sent the score to 41-28. J. Smith made two charity tries and Rohrbach one to complete the scoring.

The victory was the seventh against five losses for Gettysburg and was the sixth loss in 14 starts for the Squires.
Codori played an outstanding game

Sports Quiz

QUESTIONS
1 — What two pitchers won no-hit, no-run games in their first start in the major leagues?
2 — Did Gene Tunney ever fight Georges Carpentier?
3 — How many games did Bobby Shantz of the Philadelphia Athletics win in 1953?
4 — How many years has Curly Lambeau been a head coach in professional football?

ANSWERS
1 — Charley Jones broke in with a no-hitter for Cincinnati in 1892. During the 1953 season, Bobo Holloman of the Browns' blanked the A's without a hit in his debut as a starter.
2 — Gene Tunney knocked out Georges Carpentier of France in 15 rounds in New York on July 24, 1924.
3 — Bobby Shantz of the Philadelphia A's, bothered by a bad left shoulder, won only five games in 1953.
4 — Earl L. (Curly) Lambeau, coach of the Washington Redskins, has been a head coach in pro football for 35 consecutive years.

SIX TEAMS PUT PERFECT MARKS TO TEST TONIGHT
By BEN PHLEGAR
NEW YORK (AP)—Three of the last six all-time winning basketball teams in the nation risk their perfect records tonight and Seattle tackles Portland in a bid for its 19th straight triumph after stumbling in the first game of the season.

Top ranking Kentucky, shaken during the week by disclosures that its three leading stars won't be eligible for the post season tournaments, seeks victory No. 13 against Vanderbilt.
Duke, runner-up to the Wildcats in the Associated Press poll, tries for No. 17 against St. Bonaventure at Buffalo. And Erskine College of Due West, S. C., puts its 11-0 mark on the line against Belmont Abbey.

Findlay Pulls Upset
The other unbeaten are Western Kentucky, which won its 19th game last night—an 87-72 romp over Regis of Denver; Connecticut (14-0) and Norwich (12-0), both idle with exams until next week.
Lawrence Tech of Detroit bowed out of the select group after winning 17 in a row. Findlay College of Ohio pulled the upset 85-84 on a foul shot by Leroy Marquette in the closing seconds.

Talented Tom Marshall led Western Kentucky's assault on Regis with 39 points as he played every position—guard, forward and center.

Bad Night For Selvy
Frank Selvy of Furman, the nation's leading major scorer, had one of the worst nights of his career in an 85-67 victory over winless Newberry. Selvy, who had been averaging 39.5 points per game, was held to a mere 23 points and only five field goals.

But Togo Palazzi, Holy Cross' big scorer, returned to form with a vengeance, scoring 41 points in a 93-85 overtime verdict over Niagara. Togo's performance equalled the Boston Garden individual scoring record shared by Bevo Francis and Johnny O'Brien.

GOPHERS SIGN NEW MENTOR
MINNEAPOLIS (AP)—Murray Warmath, a hard-driving disciple of two great football masters, today was entrusted with the job of prodding Minnesota back to gridiron glory.

Ahead of him lie problems both urgent and complicated.
Warmath, for practical purposes, is a total stranger to both the players he will work with and the Big Ten in which he will compete. He will have to transplant his split T offense from Mississippi State to Minnesota in the short space of the 20-day spring practice time allowed by the NCAA rules.

But it was a measure of the school's confidence in him that the 41-year-old Tennesseean was given the highest-priced contract in Minnesota football history.

Warmath has a four-year contract at \$15,000 annually.

LAST NIGHT'S FIGHTS
WEST PALM BEACH, Fla.—Larry Mujica, 140, New York, and Nicola Funari, 137½, Rome, Italy, drew, 10.

PHILADELPHIA—Jimmy Carlini, 148½, Philadelphia, outpointed Johnny Cook, 148½, Philadelphia, 8.

SANTIAGO, Chile—Humberto Loayza, Chile, knocked out Juan Oviedo, Argentina, 4. (Middleweights but exact weights not available).

TRAUTMAN TO TRY FOR CURB ON RADIO, TV
NEW YORK (AP)—Minor league President George Trautman is scheduled to make another pitch today in his battle to curb radio and television broadcasting of major league games in the minors' territories.

Trautman's plea, and the major league player pension fund, are the important issues the big league moguls will discuss at their mid-winter meetings, preceding tomorrow's baseball writers' dinner.

More fuel was added to the minor leagues versus major league radio-TV controversy yesterday when the Class B Three I League protested a "monopoly" by the St. Louis Cardinals of broadcasting facilities in its member cities.

To Discuss Pension
Three I prexy Hal Totten said that the Cardinals plan to broadcast their games in direct competition with Three I games in seven cities and had tied up radio facilities in "several."

The Cardinals last week announced they were planning, on an experimental basis, to pipe their games into three of their own minor club cities, Houston, Omaha and Columbus.

The pension matter may not come before the brief joint sessions but the leagues will discuss it separately.

Prepare For Season
J. Norman Lewis, the players' attorney, expressed himself as "tickled" to head that the players' requests will be discussed.

Earlier this week, Lewis said the players would ask about two-thirds of the World Series radio and TV money be allocated to the player pension fund when the current contract expires in 1956.

Earlier this week, Lewis said the players would ask about two-thirds of the World Series radio and TV money be allocated to the player pension fund when the current contract expires in 1956.

Meanwhile, the major league clubs went about the business of getting their "houses" in order for the upcoming season.

Yanks Sign Five
The World Champion New York Yankees signed five players including regular first sacker Joe Collins. Along with Collins, contract came those from pitchers Mel Wright, Bob Wiesler and Wally Burnette and catcher Lou Berberet.

The Dodgers brought their 15th player into the fold when pitcher Russ Meyer came to terms.

Pittsburgh added two names—outfielder Brandy Davis and pitcher Clarence Churn—to its list of satisfied players.

The league-leading Boiling Springs High School cazers continued on their drive for the Adams County League championship by drubbing Fairfield 70-31 Friday evening at Boiling Springs. It was the eighth straight league win for Bud Ecker's team and their 16th in 18 games during the season.

There was no doubt as to the outcome after the first quarter although Fairfield blazed the Bubbles 11-0 in the second period when Boiling Springs had reserves in action. Don Kuntz netted 18 points for the winners and Shriner and Deardoff each landed nine for Fairfield.

East Berlin pulled its league record to 4-4 by handing Newville its seventh straight setback 42-35 at Newville.

The Indians held a narrow lead most of the way and at half time had a 19-13 edge. Glen Gruver hit the cords for 10 points to pace the winners while Jack Rolar was high for Newville with nine.

York Springs cemented its hold on third place by winning at New Oxford 61-49.

DELONE FROSH DOWN JUNIOR HI IN 2 GAMES

Gettysburg Junior High's dribblers bowed to the Delone Freshmen for the second time this season Friday night at McSherrystown, this time by a 28-21 rout.

The Squires controlled the boards most of the way which limited Coach Luther Sachs' boys to but single shots in their goal attempts.

The locals hoped to a 7-2 lead in the first period which melted to 10-9 at half time.

Delone put on a fast finish to clinch the game with 14 points in the final quarter while Gettysburg could manufacture but six.

E. Little landed nine for Gettysburg while Staub looped 14 points for the winners.

The preliminary followed the same pattern as the varsity game as Delone put on a strong finish to win 28-22.

Shippensburg will play here Tuesday evening.

New Oxford Hurler Signed By Athletics
Joe Bevenour, New Oxford, who graduated from Delone Catholic High School, McSherrystown, last year, has been signed to a Class D baseball contract by the Philadelphia Athletics.

Bevenour hurled for Delone and the New Oxford team of the Pennsylvania League last season.

He will report to Savannah, Ga., training site for the minor league candidates of the Athletics.

STATE CHAMPS UPSET
YEADON, Pa. (AP)—Yeadon's state championship basketball team suffered its first defeat in 25 games last night as Radnor upset the Eagles, 49-48.

The defending Class A PIAA title-holders had won 12 straight this season. Radnor has an unimpressive 2-4 record in the Suburban Philadelphia League.

JOHNSON NOT IMPRESSIVE IN SLADE DEFEAT
NEW YORK (AP)—Jimmy Slade and 1,464 fans at St. Nicholas Arena don't think Harold Johnson is quite ready for Archie Moore.

The TV audience hasn't been heard from—yet.

"He fought like he was scared," said Slade last night, after losing a split decision to the No. 1 light heavyweight contender in 10 rounds. "He fought less time than before."

Johnson beat Slade easily in the same arena Jan. 16, 1953. He barely squeaked home this time on the official card.

Judge Harold Barnes even gave it to Slade 5-4-1. Judge Joe Eppy voted 7-3 and Referee Al Ber 5-4-1, both for Johnson. The AP card had Johnson on top 6-4.

"I was slow," said Johnson. "Maybe it was the extra weight. I fight best at 175 pounds (Johnson weighed 178½, heaviest of his career and Slade 182). He's a hard fellow to look good against. But I figure I won."

Tommy Loughery, his manager, was disturbed about the boos his fighter drew while Referee Ber pleaded with both men to fight harder.

"He gave him (Slade) a boxing exhibition," said Loughery. "They (fans) want him to step in there and get hit."

Slade was outspoken in his views because he thought he deserved the decision. But he fought only in spurts until the final rounds.

Johnson's next fight will be with Billy Gilliam, Feb. 23 at Troy, Ohio.

Philadelphia promoter Herman Taylor hopes to match Johnson the home town boy against Moore outdoors next June.

Geography Plays Important Part In How Car Functions; Salt On Road Causes Damage

Something that needs more attention in motordom is the difference in longevity of cars in different climates and localities. Geography plays a silent but powerful role in car behavior, and the effects are sometimes so subtle we are not at all justified in jumping to conclusions. You'd think that engines would have a shorter life in mountainous country, but use of lower gears may actually be an advantage. The

man who knows how damaging broiling sun of the semi-tropics can be on a car's finish may completely overlook the destructive effect of acid smoke settling on his car in a manufacturing center, especially if there is intermittent rain. Where considerable salt is used on roads to check winter ice cars may suffer underpinning damage which will make any car old in three years.

All this must be taken into consideration when comparing notes on success or failure with various makes. If Uncle Jed's Elegant Eight looks like it had been through an atomic attack perhaps it is just because of where he is using it.

May Handicap Starting

If your car has the oil filler pipe on the same side with the ignition distributor a little cleanliness when adding or checking oil will help prevent starting delay. In one typical instance enough oil dripped to the distributor cap to trap a lot of dirt. The dirt, in turn, provided a depository for moisture from condensation. During cold cranking high tension current shorted across the top of the distributor and made starting quite a headache.

Back In The Picture

Remember the days when automobile salesmen used to prove an engine's smoothness by placing a glass of water atop the radiator cap? Sometimes the test was varied a bit by the less successful trick of balancing a pencil by its flat top. Today the perfectionists are still at it, but now the glass of water stands atop the air

Pope Pius Shows Some Improvement

VATICAN CITY (AP)—Pope Pius XII was still confined to his Vatican apartment Friday but celebrated mass in his private chapel.

Vatican sources said the Pope continued to show improvement, but that he was not yet completely recovered from the fatigue which forced curtailment of his schedule earlier this week.

The 77-year-old spiritual leader of the world's Roman Catholics has been suffering from a nervous stomach disorder which has, from time to time, resulted in hiccups that disturbed his rest.

cleaner. However, because of the engine's flexible mounting and the fact that it often shakes (when passing through periods of vibration) the test is confined to checking idling or special constant speeds above it. If the owner tries to accelerate with the glass atop the cleaner he is apt to get an unexpected shower bath.

Mechanic Joe Speaking
"No one knows better than an

experienced repairman how important it is to make allowances for changes which will follow as a natural consequence of repairs or tuneup. We figure, for instance, that because of wear on the rubbing block of a new breaker arm ignition timing will change a little so we set the timing to anticipate this. After a valve grinding we figure that the owner probably will drive faster, and we should allow a shade more tappet clearance to compensate for greater valve stem expansion.

"After a brake reline an increase in brake dust will have the effect of improved braking power. Improved braking will often encourage an owner to drive faster which, in turn, may show up need for new spark plugs or a carburetor overhaul."

Those Hidden Hazards

Some of the simplest things about the car can be highly dangerous. Checking them recently I found misaligned rear view mirrors among the most prevalent. Sometimes the mirror merely slips down because it is loose, only to blind the driver to the situation behind. A sticking accelerator pedal can be quite a bad actor, too. So is a weak throttle return spring. The driver can always switch off the ignition should the engine race, but the suddenness of this racing takes him by surprise.

Just Overdoing It

Mysteriously low oil mileage in the case of a friend's car turned out to be an error of design, the crankcase ventilating system being a shade too efficient. Too much air was scooped into the front vent, causing oil to be forced out the rear vent at higher speeds. There was no telltale oil on the garage floor, and of course no smoking at the exhaust. The oil just vanished.

Changing the air scoop to a different position proved to be the simple remedy for something which might easily have led to an unnecessary re-ringing job.

Forced Into Progress

Whatever may be said in favor of the growing use of hydraulic valve lifters for modern engines one fact stands out like an act of kindness: we are being forced into greater consideration for engine cleanliness. To check wear on engine parts through the use of efficient filtration is, of course, nothing new, but today we just can't afford to be halfhearted about it.

SEVEN FACE TAX EVASION COUNT

PHILADELPHIA (AP)—Seven Pennsylvanians have been indicted on income tax evasion charges.

A federal grand jury handed up the indictments in U. S. District Court Thursday. One of the indictments named Ralph S. Kreitz, 53, reputed one-time Berks County slot machine boss who appeared before the Senate Crime Investigating Committee in 1951 and served a 60-day jail sentence in 1948 for dodging payment of \$34,000 in 1945-46. He also was fined \$5,000.

Kreitz now is charged with evading payment of \$78,899 for the years 1947 through 1950.

Rufus E. Carl, 62, who with his son, William R., operates a farm near Pottsville, is charged with evading payment of \$11,770 for 1947-49. Carl's son and the younger man's wife, Mabel, are charged with evading \$28,221 for 1947-50.

William Hager, Lansdale, former clothing store operator, is charged with evading \$5,928 for 1947-50. J. Harlan Burkhardt of Ephrata, a farmer, is charged with evading \$17,529 for 1947-49.

We use high detergency oil to dissolve any gums or varnish that may form on cylinder walls, rings and hydraulic lifters. We keep a fresh cartridge in the oil filter to trap out abrasives and dirt in the oil. And we are back to changing oil every thousand miles so that contaminants and dilution from overchoking will be held to a minimum.

In addition, we give more attention to the air cleaner, thus lessening the amount of dirt that enters through the carburetor route. There is better filtration of the fuel as well as more consideration for crankcase vents. All this adds up to longer life for the engine even though the primary reason for increased interest in lubrication cleanliness is freedom from lifter wear. The fringe benefits are many and highly desirable.

Keep These In Mind

It is easy to be fooled into thinking the engine has developed a worn rod bearing when the trouble is a broken compression ring.

Be thoroughly familiar with the location of the car's horns, or the relay for the horns, so that you can disconnect a wire at either point should the horns start blowing of their own accord. It is better than disconnecting a battery cable.

Stranger To The Switch

It is surprising how many car owners do not know that often there is a second position of the ignition switch which serves to put the car's radio and heater into action without current actually traveling through the ignition system. This is just a matter of turning the ignition key to the left instead of to the right. With this arrangement it isn't possible for someone to fool with the radio while the car is parked, if the owner has locked the ignition.

In The Motor Mail

Q. What causes crankcase pressure to build-up enough to force oil up around the distributor shaft? A. N. H.

A. Usually this is the result of clogged crankcase vents, including the oil filler pipe.

Q. I notice that the defrosters on my new car do not take fog off the inside of the windshield. What can be done about this? W. K.

A. This isn't the function of defrosters. To remove inside fog quickly turn the front swivel windows so that cold air is drawn into the car and blown directly against the inside of the glass. Or wipe off the glass (when it is dry) with one of the defogging cloths now on the market.

Q. Is it all right to install an oil filter atop the cover of a valve-in-head engine? J. J. G.

A. This installation serves to feed clean oil to the valve compartment, but in this position the filter will not be as well cooled. I prefer mounting the filter further from the engine.

Q. I am having a new steering worm installed on my car. Is it necessary to install a new roller too. The latter shows no signs of wear or chipping. T. McB.

A. Yes, use a new roller. As with any parts that mesh together one new one should never be used with an old one.

Q. What proportion of automobile drivers are women? Mrs. N. J. H.

A. The current figure stands at 29 per cent. You have come a long way from sitting back there in the open tonneau with your linen duster.

Q. My new car has an engine with hydraulic valve lifters. How do I adjust them? K. L. F.

A. These are not adjustable.

Handicapped Persons Earn More Money

Wages increased 537 per cent for 3,493 handicapped Pennsylvania residents during the past year after their retraining and preparation for jobs by the State Bureau of Rehabilitation.

Roy E. Zinn, Hanover St., manager of the Bureau's Harrisburg District, with offices at 400 Blackstone Building, 112 Market Street, Harrisburg, said that before vocational rehabilitation was started for the 3,493 persons their wages totaled \$1,157,000, but that after they were given the retraining services provided by the Bureau, their annual earnings increased to \$7,462,000 or approximately \$2,136 each.

SELLS COFFEE GROUNDS

DALLAS, Tex. (AP)—The Inwood Sign Shop had the following to offer today to restaurant owners: "Coffee grounds, slightly used, 10 cents pound."

They were developed to save car owners the usual tappet annoyances and also to maintain the ideal zero lash or clearance at all times. But is it important to favor the lifters with clean oil of the right grade. This means higher quality oil, better filtration and more frequent oil changes. All of this benefits the engine in general.

Q. The engine of my car has developed the peculiar habit of stalling on turns. Thinking this was due to the carburetor float being thrown off balance so as to bind against the float bowl wall I replaced the carburetor but the situation is just the same. Can't find any improvement with engine tuning and new ignition parts. M. S.

A. I'm glad you remembered to advise me the make and model car you drive, otherwise I would not have suspected the semi-automatic transmission. While the car is turning you probably press way down on the accelerator pedal and kick down the transmission. I would check to see if the governor releases too low.

Mr. Russell will answer questions regarding the safe care and operation of your car. Just address him at 254 Fern Street, West Hartford 7, Connecticut, and enclose stamped, self-addressed envelope for a personal reply. There is no charge.

NEW PROGRAM IS ADOPTED TO AID ALCOHOLICS

HARRISBURG (AP)—The State Health Department has gotten behind an eight-point program for treatment of Pennsylvania's alcoholics.

Dr. Earl F. Hoerner, medical director, cited education as a prime means of combating the disease at a conference Thursday of the State Advisory Committee on the Problem of Alcoholism.

The commonwealth, with a \$500,000 appropriation is planning to establish out-patient clinics in Philadelphia, Pittsburgh, Scranton and Harrisburg. Specific locations of the clinics have yet to be made. The state's Alcoholism program was authorized by the 1953 Legislature with the backing of Gov. John S. Fine.

Heading the administrative organization of the program is Mrs. Helen Snyder, director of the Health Department's Alcoholic Division.

8-Point Program

The eight points of the new program are:

1. Education of the public that alcoholism is a disease.
2. Educational institutes for study of the disease.
3. Acquainting the medical profession with the special problems in treatment and control of the disease.
4. Make more hospital beds available for alcoholics.
5. Establish out-patient clinics.
6. Encourage and support alcoholic research.
7. Establish information centers as a means of control of the disease where there are no out-patient clinics.
8. Make further surveys and studies of the problem in Pennsylvania.

THESE DAYS OF CHANGING WEATHER ARE GOOD DAYS FOR MID-WINTER CAR CHECK-UPS!

Sure, you had your car put in shape for winter driving last fall... but that was many weeks ago, and now, perhaps your family pride-and-joy-on-wheels is not ready to meet another cold wave. —Don't wait until springtime to take care of it. Right now, when changing temperatures are giving your car the most punishment, it needs a mid-winter tonic. Rely on your Adams County garages and service stations to do the job and return it to you in tip-top shape, all ways. You'll see a big difference, and you'll be glad you read this little reminder.

- AVOID OIL DILUTION IN YOUR CRANKCASE!
- AVOID A HALF-DEAD CAR BATTERY!
- AVOID HARD STEERING AND GEAR SHIFTING!
- AVOID WINTER-FOULED SPARK PLUGS!
- AVOID SLUGGISH ENGINES AND SLOW STARTS!
